Neglected Treasure Rediscovering The Old Testament A Bristol Quickread:

Neglected Treasure Dan G. Johnson, 1989 *Getting Involved with God* Ellen F. Davis, 2001-01-25 This is a book about getting and staying involved with God what it takes what it costs what it looks and feels like why anyone would want to do it anyway It is at the same time a book about reading the Old Testament as a source of Good News and guidance for our life with God The key piece of Good News that the Old Testament communicates over and over again is that God is involved with us deeply and irrevocably so from the Introduction With sound scholarship and her own vivid translations from the Hebrew Old Testament professor Ellen Davis teaches us a spiritually engaged method of reading scripture Beginning with the psalms whose frank prayers can be a model for our own Davis reflects on the stories of the patriarchs and the pastoral wisdom of the book of Job Proverbs Ecclesiastes and the Song of Songs in helping us cultivate those habits of the heart that lead to a rich relationship with God The Rediscovery of the Old Testament H H Rowley, 2012-02-23 A reprint of a classic exposition of the understanding of the Old Testament Rowley brings the Old Testament back to the forefront of Scholarship and finds rich meaning in much of what has previously been buried Increasingly men are turning their thoughts to the deeper message of the Old Testament and finding richer meaning in the light of all work that has been done The Old Testament need not to be buried beneath the weight of scholarship but may rather stand on the foundation of scholarship sustained by it and firmly upheld before men from the Preface *Toward Rediscovering the Old Testament* Walter Christian Kaiser (Jr.), 1987 **The Re-discovery of the Old Testament** Harold Henry Rowley, 1956 Dig Even Deeper Andrew Sach, Richard Alldritt, 2011-01-21 What does an Old Testament book have to say to us in the twenty first century Discover the message of a Bible book for yourself by using tools which help you dig deeper *Neglected Era* Edith Ross Braley, 2019 **The Rediscovery of the Old Testament** H.H. Rowley, 1945 "The" Re-discovery of the Old Testament Harold Henry Rowley, 1969 **Re-Discovery of the Old Testament (Classic Reprint)** Harold Henry Rowley, 2015-07-08 Excerpt from *Re Discovery of the Old Testament* Such a task is attempted here Into the minutiae of scholarship I do not enter not because I regard them as meaningless but because their study lies behind rather than in this book Elaborate documentation which is rightly found in work intended for scholars is here dispensed with and the focus of interest is in the edifice of Old Testament thought rather than in the foundations of its study Yet it is my hope that the edifice stands squarely on the foundations For only so is it secure If these pages can help any reader to a fuller apprehension of the religious meaning of this most wonderful Book they will have fulfilled their purpose For Biblical quotations I have kept largely to familiar words though I have frequently modified the translation to some extent for reasons which are not stated since they would distract the general reader In no case has a change been introduced for a priori or dogmatic reasons but only where philological or textual support could be provided to justify the change It is a deep grief to me that while this book has been in the press Principal H Wheeler Robinson has passed from our midst I have left the Dedication unchanged I have to thank Professor A R

Johnson for his help in reading the proofs and for his stimulating friendship which has yielded many suggestions embodied in this book I have also to thank Professor T W Manson for reading my work in proof and for many other kindnesses About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books Find more at www.forgottenbooks.com This book is a reproduction of an important historical work Forgotten Books uses state of the art technology to digitally reconstruct the work preserving the original format whilst repairing imperfections present in the aged copy In rare cases an imperfection in the original such as a blemish or missing page may be replicated in our edition We do however repair the vast majority of imperfections successfully any imperfections that remain are intentionally left to preserve the state of such historical works
