Neighbor Jackwood (Classic Reprint) J. T. Trowbridge, 2015-07-10 Excerpt from Neighbor Jackwood Few of the later generation of readers will remember the fugitive slave cases that agitated the country about the middle of the present century one of which that of Anthony Burns shook the conservative town of Boston as by a moral earthquake To this affair especially and to two or three similar cases I owed in a large measure the powerful impulse that urged me to the writing of an anti slavery novel How I was influenced by them how almost in spite of my self and against my own literary taste and

judgment I was led to construct a story with the one tabooed and abominated subject craftily concealed as was charged at the time in the very heart of it a surprise to be exploded like a bombshell in the face of unsuspecting readers how I came to commit this atrocity if it was one I shall endeavor to show in this chapter of reminiscences I early imbibed a prejudice against any agitation of the slavery question In the small community in western New York where I was brought up I knew in my boy hood only two outspoken abolitionists One of these was our good Presbyterian minister Mr Sedgwick a worthy man with an unfortunate hobby as it was deemed and as perhaps it was About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books Find more at www.forgottenbooks.com This book is a reproduction of an important historical work Forgotten Books uses state of the art technology to digitally reconstruct the work preserving the original format whilst repairing imperfections present in the aged copy In rare cases an imperfection in the original such as a blemish or missing page may be replicated in our edition We do however repair the vast majority of imperfections successfully any imperfections that remain are intentionally left to preserve the state of such historical works

Townsend Trowbridge, 2016-11 Excerpt from *Neighbor Jackwood* A Romantic Drama in Five Acts Mrs J I declare if you an t letting that toast all burn to a cin der How can anybody be so careless drops a plate About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books Find more at www.forgottenbooks.com This book is a reproduction of an important historical work Forgotten Books uses state of the art technology to digitally reconstruct the work preserving the original format whilst repairing imperfections present in the aged copy In rare cases an imperfection in the original such as a blemish or missing page may be replicated in our edition We do however repair the vast majority of imperfections successfully any imperfections that remain are intentionally left to preserve the state of such historical works

Provocative Eloquence Laura L. Mielke, 2019-02-26 In the mid 19th century rhetoric surrounding slavery was permeated by violence

Slavery s defenders often used brute force to suppress opponents and even those abolitionists dedicated to pacifism drew upon visions of widespread destruction *Provocative Eloquence* recounts how the theater long an arena for heightened eloquence and physical contest proved terribly relevant in the lead up to the Civil War As antislavery speech and open conflict intertwined the nation became a stage The book brings together notions of intertextuality and interperformativity to understand how the confluence of oratorical and theatrical practices in the antebellum period reflected the conflict over slavery and deeply influenced the language that barely contained that conflict The book draws on a wide range of work in performance studies theater history black performance theory oratorical studies and literature and law to provide a new narrative of the interaction of oratorical theatrical and literary histories of the nineteenth century U S

Slavery and Sentiment on the American Stage, 1787-1861 Heather S. Nathans, 2009-03-19 For almost a hundred years before Uncle Tom s Cabin burst on to the scene in 1852 the American theatre struggled to represent the evils of slavery Slavery and

Sentiment examines how both black and white Americans used the theatre to fight negative stereotypes of African Americans in the United States *Report of the Superintendent of Public Instruction of the State of New York* New York (State).
