controversy is unavoidable Traditionalists will take issue with Sherman's portrayal of the state as a cauldron of social change while newcomers might object to the homage paid to Vermont's past Vermont was the last state to allow in a Wal Mart and the first to authorize domestic partnerships It is the only state with a Socialist representative in Congress a state where a Republican nominee for the U S Senate dairy farmer Fred Tuttle actually voted for his better qualified opponent Sherman is a journalist and a social historian more than an academic He has not had the luxury of time to filter and clarify his observations As he states in his own acknowledgments Writing contemporary history is risky business Fast Lane on a Dirt Road is a great read for anyone interested in the rapid evolution of American culture The quirky history of Vermont shows us both where we've been and where we're going The rest of America can learn a lot from Vermont The Writer's Market ERS.,2001 Describes thousands of markets for writers covering magazines publishers syndicates and contests with information on submission requirements pay scale and freelance work and listings of editors and agents **Conifer Quarterly** ,2005
