

Neighborhood Tokyo

Victor M. Corman

Neighborhood Tokyo:

Neighborhood Tokyo Theodore C. Bestor, 1989 In the vastness of Tokyo these are tiny social units and by the standards that most Americans would apply they are perhaps far too small geographically and demographically to be considered neighborhoods Still to residents of Tokyo and particularly to the residents of any given subsection of the city they are socially significant and geographically distinguishable divisions of the urban landscape In neighborhoods such as these overlapping and intertwining associations and institutions provide an elaborate and enduring framework for local social life within which residents are linked to one another not only through their participation in local organizations but also through webs of informal social economic and political ties This book is an ethnographic analysis of the social fabric and internal dynamics of one such neighborhood Miyamoto cho a pseudonym for a residential and commercial district in Tokyo where the author carried out fieldwork from June 1979 to May 1981 and during several summers since It is a study of the social construction and maintenance of a neighborhood in a society where such communities are said to be outmoded even antithetical to the major trends of modernization and social change that have transformed Japan in the last hundred years It is a study not of tradition as an aspect of historical continuity but of traditionalism the manipulation invention and recombination of cultural patterns symbols and motifs so as to legitimate contemporary social realities by imbuing them with a patina of venerable historicity It is a study of often subtle and muted struggles between insiders and outsiders over those most ephemeral of the community's resources its identity and sense of autonomy enacted in the seemingly insubstantial idioms of cultural tradition

Tokyo on Foot Florent Chavouet, 2012-10-23 This prize winning book is both an illustrated tour of a Tokyo rarely seen in Japan travel guides and an artist's warm funny visually rich and always entertaining graphic memoir Florent Chavouet a young graphic artist spent six months exploring Tokyo while his girlfriend interned at a company there Each day he would set forth with a pouch full of color pencils and a sketchpad and visit different neighborhoods This stunning book records the city that he got to know during his adventures It isn't the Tokyo of packaged tours and glossy guidebooks but a grittier vibrant place full of ordinary people going about their daily lives and the scenes and activities that unfold on the streets of a bustling metropolis Here you find businessmen and women hipsters students grandmothers shopkeepers policemen and other urban types and tribes in all manner of dress and hairstyles A temple nestles among skyscrapers the corner grocery anchors a diverse assortment of dwellings cafes and shops often tangled in electric lines The artist mixes styles and tags his pictures with wry comments and observations Realistically rendered advertisements or posters of pop stars contrast with cartoon sketches of iconic objects or droll vignettes like a housewife walking her pet pig a Godzilla statue in a local park and an urban fishing pond that charges 400 yen per half hour This very personal guide to Tokyo is organized by neighborhood with hand drawn maps that provide an overview of each neighborhood but what really defines them is what caught the artist's eye and attracted his formidable drawing talent Florent Chavouet begins his introduction by observing that Tokyo is said to be

the most beautiful of ugly cities With wit a playful sense of humor and the multicolor pencils of his kit he sets aside the question of urban ugliness or beauty and captures the Japanese essence of a great city in this truly vital portrait **Urban Spaces in Japan** Christoph Brumann, Evelyn Schulz, 2012-06-14 *Urban Spaces in Japan* explores the workings of power money and the public interest in the planning and design of Japanese space Through a set of vivid case studies of well known Japanese cities including Tokyo Kobe and Kyoto this book examines the potential of civil society in contemporary planning debates Further it addresses the implications of Japan s biggest social problem the demographic decline for Japanese cities and demonstrates the serious challenges and exciting possibilities that result from the impending end of Japan s urban growth Presenting a synthetic approach that reflects both the physical aspects and the social significance of urban spaces this book scrutinizes the precise patterns of urban expansion and shrinkage In doing so it also summarizes current theories of public space urban space and the body in space which are relevant to both Japan and the wider international debate With detailed case studies and more general reflections from a broad range of disciplines this collection of essays demonstrates the value of cross disciplinary cooperation As such it is of interest to students and scholars of geography and urban planning as well as history anthropology and cultural studies

Urban Life George Gmelch, Petra Kuppinger, 2018-01-03 More than half of the world s population lives in cities What are their lives like in very different global and globalizing cities How can urban anthropologists study and understand the diverse and complex experiences of urban dwellers all over the globe The latest edition of *Urban Life* explores questions about how to study urban lives and examines experiences of urban inhabitants in cities across the globe Authors ask questions such as how can one study the activities in a huge fish market in Tokyo How do elderly residents benefit from urban agriculture in New York City How do people maneuver ever present traffic jams in Istanbul How do low income residents in Cairo manage their lives drawing on neighborhood social networks How do immigrants fight for green spaces in Paris How do families manage transnational ties between New York City and Ecuador The book is organized into six parts Urban Fieldwork Communities Urban Structure Inequality and Survival Immigrants Migrants and Refugees Changing Cities and Current Topics in Urban Anthropology The last part addresses issues at the forefront of anthropological research and broader political debates like environmental justice disability and accessibility and access to water supplies Each part includes an introduction and each chapter is preceded by notes about its context and relevance The rich ethnographic content of the chapters makes them highly accessible to students while addressing relevant topics and themes

Local Organizations and Urban Governance in East and Southeast Asia Benjamin L. Read, Robert Pekkanen, 2009-06-02 This edited collection brings together enterprising pieces of new research on the many forms of organization in East and Southeast Asia that are sponsored or mandated by government but engage widespread participation at the grassroots level Straddling the state society divide these organizations play important roles in society and politics yet remain only dimly understood This book shines a spotlight on this phenomenon which speaks to fundamental questions about

how such societies choose to organize themselves how institutions of local governance change over time and how individuals respond to and make use of the power of the state The contributors investigate organizations ranging from volunteer based organizations that partner with government in providing services for homeless children to state managed networks of neighborhood or village level associations that perform representative as well as administrative functions and seeks to answer a number of questions When do the vertical top down imperatives of the state stifle horizontal solidarities and when might the two work in harmony Are useful social and administrative purposes served by this type of fusion Does it amplify or merely muffle citizens voices What does it tell us about existing accounts of community social capital synergy complementarity subsidiarity and related concepts Representing seven countries China Japan Vietnam Thailand Indonesia Taiwan and Singapore this volume will be of interest to undergraduates postgraduates and academics in Asian studies political science sociology anthropology development history nonprofit studies

Everyday People in Early Modern

Kyoto Mary Louise Nagata,2025-07-21 This social history explores the lives of urban commoners in early modern Kyoto during the dramatic political shift from famine to revolution in the final decades of the Tokugawa regime through an extensive survey of the detailed record changes from 1843 in response to these crises The study focuses on three aspects of urban life beginning with individual and household relations with the neighborhood communities that comprised the institutional framework of urban administration and provided financial and legal resources for residents It then moves to the lives of ordinary people taking a life course approach to analyze life cycle work marriage divorce blended families fertility adoption migration mobility and mortality The final theme discusses households people lived in headship succession and devolution of property family business as a network of household shops and workshops and the roles women played while testing the patriarchy theories commonly used in this field and finding new explanations Written for all levels of expertise and including many stories of everyday people this book will appeal to undergraduate students and general readers interested in historical Kyoto

Asia: Case Studies in the Social Sciences - A Guide for Teaching

Myron L. Cohen,2016-09-16 The material in this study is covered by Myron L Cohen on religion and family organization in China John R Bowen on family kinship and Islam in Indonesia Robert W Hefner on hierarchy and stratification in Java and Nancy Rosenberger on gender roles in Japan Further material is provided by William W Kelly on rural society in Japan Theodore C Bestor on urban life in Japan Stephen R Smith on the family in Japan Doranne Jacobson on gender relations in India Lawrence A Babb on religion in India Owen M Lynch on stratification inequality and the caste system in India Laurell Kendall on changing gender relations in Korea Andrew G Walder on comparative revolution in China and Vietnam Maoism and the sociology of work in China and Japan Moni Nag on the comparative demography of China Japan and India and Helen Hardacre on the new religions of Japan Other contributors offering information through case studies are Hiroshi Ishida on stratification and mobility in Japan Robert C Liebman on work and education compared in Japan and the US Joseph W Elder

on education urban society urban problems and industrial society in India Andrew J Nathan on totalitarianism authoritarianism and democracy in China Jean C Oi on mobilisation and participation in China Edwin A Winckler on political development in Taiwan Carl H Lande on political parties and representation in the Philippines Clark N Neher on political development and political participation in Thailand and Benedict R O G Anderson on political culture the military and authoritarianism in Indonesia The final chapters of this work include studies by Stephen Philip Cohen on the military in India and Pakistan Paul R Brass on democracy and political participation in India T J Pempel on Japanese democracy and political culture political parties and representation and bureaucracy in Japan Han kyo Kim on political development in South Korea and Thomas G Rawski on the economies of China and Japan **Handbook of Japanese Popular Culture** Richard Gid Powers, 2000, Bruce Stronach, 1989-06-26 Born out of the editor's inability to find a suitable book for teaching the subject this is a welcome title a fine contribution in a field where works in English are seriously lacking Choice The Handbook of Japanese Popular Culture provides a convenient and efficient guide to the prevalent ways of life recreations and artistic creations of contemporary Japan Designed for the general reader as well as the specialist in Japanese culture The areas explored are those that have proven to be of durable interest to the Japanese such as sports science fiction and popular music as well as passing fads and fancies The extremely readable essays contributed by specialists in the field provide a wealth of interesting information including a survey of the historical development of the topic under discussion with special attention paid to the most useful published works in the field followed by a guide to the research collections and reference works that should be consulted by those wishing to deepen their knowledge of the subject Exploring the most salient aspects of Japanese popular culture the chapters include such topics as popular architecture new religions popular performing arts film television comics and mystery literature The editor's introduction suggests that the study of popular culture as a discipline with its own unique subject matter and methodology represents a form of protest against the concept of culture as a selective tradition consisting of the best that has been thought and said This comprehensive survey of Japanese popular culture will be an essential addition to all libraries and a useful resource in the study of popular culture sociology Japanese history and culture humanities communications and journalism **The Far-Eastern Review**, 1923 **Neighborhood and Nation in Tokyo, 1905-1937** Sally Ann Hastings, 2010-11-23 In this pre World War II analysis of working class areas of Tokyo primarily its Honjo ward Hastings shows that bureaucrats particularly in the Home Ministry were concerned with the needs of their citizens and took significant steps to protect the city's working families and the poor She also demonstrates that the public participated broadly in politics through organizations such as reservist groups national youth leagues neighborhood organizations as well as growing suffrage and workplace organizations **Japan Times. Weekly Edition**, 1912 **Far Eastern Trade**, 1939 **Tokyo Fashion City** Philomena Keet, 2016-09-13 The fashionable eccentric pedestrians of Tokyo are captured with hundreds of portrait photographs in this fun guide to Tokyo street fashion Tokyo is considered one of the

world's style capitals for its vibrant youth fashion culture Part guide book part fashion photography album Tokyo Fashion City takes a stroll through eight Tokyo neighborhoods each with its own unique fashion characteristics to see what streetwise young Tokyoites are wearing where they're shopping what they're eating and drinking and where they're hanging out Author Philomena Keet and photographer Yuri Manabe accompany the reader to Harajuku where high fashion rubs shoulders with hip hop style to Shibuya birthplace of the gal and stomping ground for Tokyo's most sophisticated fashionistas to hipster hangout Daikanyama to the goth and geek meccas of Shinjuku and Ikebukuro to bohemian Koenji and otaku neighborhood Nakano to Ginza's lunching ladies and dapper gentlemen to the cosplay paradise of Akihabara and to the narrow lanes of East Tokyo where everyday Japanese fashion gets a traditional touch Each chapter is packed with photographs of young fashionistas captured as they go about their daily lives with info rich captions and insightful text giving the background to the trends and tribes featured With the inclusion of area maps and shop and cafe listings Tokyo Fashion City is an indispensable resource for readers wishing to keep a finger on Tokyo's style pulse

Neighborhood Tokyo Introduction

In today's digital age, the availability of Neighborhood Tokyo books and manuals for download has revolutionized the way we access information. Gone are the days of physically flipping through pages and carrying heavy textbooks or manuals. With just a few clicks, we can now access a wealth of knowledge from the comfort of our own homes or on the go. This article will explore the advantages of Neighborhood Tokyo books and manuals for download, along with some popular platforms that offer these resources. One of the significant advantages of Neighborhood Tokyo books and manuals for download is the cost-saving aspect. Traditional books and manuals can be costly, especially if you need to purchase several of them for educational or professional purposes. By accessing Neighborhood Tokyo versions, you eliminate the need to spend money on physical copies. This not only saves you money but also reduces the environmental impact associated with book production and transportation. Furthermore, Neighborhood Tokyo books and manuals for download are incredibly convenient. With just

a computer or smartphone and an internet connection, you can access a vast library of resources on any subject imaginable. Whether you're a student looking for textbooks, a professional seeking industry-specific manuals, or someone interested in self-improvement, these digital resources provide an efficient and accessible means of acquiring knowledge. Moreover, PDF books and manuals offer a range of benefits compared to other digital formats. PDF files are designed to retain their formatting regardless of the device used to open them. This ensures that the content appears exactly as intended by the author, with no loss of formatting or missing graphics. Additionally, PDF files can be easily annotated, bookmarked, and searched for specific terms, making them highly practical for studying or referencing. When it comes to accessing Neighborhood Tokyo books and manuals, several platforms offer an extensive collection of resources. One such platform is Project Gutenberg, a nonprofit organization that provides over 60,000 free eBooks. These books are primarily in the public domain, meaning they can be freely distributed and downloaded. Project Gutenberg offers a wide range of classic literature, making it an excellent resource for literature enthusiasts. Another popular platform for Neighborhood Tokyo books and manuals is Open Library. Open Library is an initiative of the Internet Archive, a non-profit organization dedicated to digitizing cultural artifacts and making them accessible to the public. Open Library hosts millions of books, including both public domain works and contemporary titles. It also allows users to borrow digital copies of certain books for a limited period, similar to a library lending system. Additionally, many universities and educational institutions have their own digital libraries that provide free access to PDF books and manuals. These libraries often offer academic texts, research papers, and technical manuals, making them invaluable resources for students and researchers. Some notable examples include MIT OpenCourseWare, which offers free access to course materials from the Massachusetts Institute of Technology, and the Digital Public Library of America, which provides a vast collection of digitized books and historical documents. In conclusion, Neighborhood Tokyo books and manuals for download have transformed the way we access information. They provide a cost-effective and convenient means of acquiring knowledge, offering the ability to access a vast library of resources at our fingertips. With platforms like Project Gutenberg, Open Library, and various digital libraries offered by educational institutions, we have access to an ever-expanding collection of books and manuals. Whether for educational, professional, or personal purposes, these digital resources serve as valuable tools for continuous learning and self-improvement. So why not take advantage of the vast world of Neighborhood Tokyo books and manuals for download and embark on your journey of knowledge?

FAQs About Neighborhood Tokyo Books

How do I know which eBook platform is the best for me? Finding the best eBook platform depends on your reading

preferences and device compatibility. Research different platforms, read user reviews, and explore their features before making a choice. Are free eBooks of good quality? Yes, many reputable platforms offer high-quality free eBooks, including classics and public domain works. However, make sure to verify the source to ensure the eBook credibility. Can I read eBooks without an eReader? Absolutely! Most eBook platforms offer web-based readers or mobile apps that allow you to read eBooks on your computer, tablet, or smartphone. How do I avoid digital eye strain while reading eBooks? To prevent digital eye strain, take regular breaks, adjust the font size and background color, and ensure proper lighting while reading eBooks. What the advantage of interactive eBooks? Interactive eBooks incorporate multimedia elements, quizzes, and activities, enhancing the reader engagement and providing a more immersive learning experience. Neighborhood Tokyo is one of the best book in our library for free trial. We provide copy of Neighborhood Tokyo in digital format, so the resources that you find are reliable. There are also many Ebooks of related with Neighborhood Tokyo. Where to download Neighborhood Tokyo online for free? Are you looking for Neighborhood Tokyo PDF? This is definitely going to save you time and cash in something you should think about.
