*Neither Jew nor Greek* James D. G. Dunn, 2015 In *Christianity in the making* James D G Dunn examines in depth the major factors that shaped first generation Christianity and beyond exploring the parting of the ways between Christianity and Judaism the Hellenization of Christianity and responses to Gnosticism He mines all the first and second century sources including the New Testament Gospels New Testament apocrypha and such church fathers as Ignatius Justin Martyr and Irenaeus showing how the Jesus tradition and the figures of James Paul Peter and John were still esteemed influences but were also the subject of intense controversy as the early church wrestled with its evolving identity Neither Jew Nor Greek

Violet Guttenberg, 1902 **Neither Jew nor Greek?** Judith Lieu, 2015-11-19 A ground breaking study in the formation of early Christian identity by one of the world's leading scholars In *Neither Jew Nor Greek* Judith Lieu explores the formation and shaping of early Christian identity within Judaism and within the wider Graeco Roman world in the period before 200 C E Lieu particularly examines the way that literary texts presented early Christianity She combines this with interdisciplinary historical investigation and interaction with scholarship on Judaism in late Antiquity and on the Graeco Roman world The result is a highly significant contribution to four of the key questions in current New Testament scholarship how did early Christian identity come to be formed How should we best describe and understand the processes by which the Christian movement became separate from its Jewish origins Was there anything special or different about the way women entered Judaism and early Christianity How did martyrdom contribute to the construction of early Christian identity The chapters in this volume have become classics in the study of the New Testament and for this Cornerstones edition Lieu provides a new introduction placing them within the academic debate as it is now "Neither Jew Nor Greek" Keith Williams, 2008

**Christian Identity in the Jewish and Graeco-Roman World** Judith Lieu, 2004-05-27 Judith Lieu's study explores how a sense of being a Christian was shaped within the setting of the Jewish and Graeco Roman world By exploring this theme she reveals what made early Christianity so distinctive and separate New Testament Social Ethics for Today Richard N. Longenecker, 1984 This is a print on demand book and is therefore non returnable To answer the question of what role the New Testament should play in the formation and expression of Christian social morality today Richard Longenecker here proposes a developmental hermeneutic which distinguishes between declared principles and described practices in the New Testament writings With this distinction in mind he focuses on the three couplets of Galatians 3 28 neither Jew nor Greek slave nor free male nor female showing how these matters were treated in early Christian thought and explaining their meaning for us today In so doing Longenecker lays a hermeneutical foundation for the much larger discussion of Christian social ethics **Trinitarian Pneumatological Personhood and the Theology of John Zizioulas** Ronald L. Adkins II, 2023-02-28 In a growing secular society what distinguishes a Christian from a non Christian Is a Christian identified by certain religious and ceremonial activity social action principles or do their relationships identify them as Christian This book

suggests that a Christian person is in a continual relationship with the Triune God through the Holy Spirit Furthermore this living relationship reflects the eternal relationship of the Father Son and Holy Spirit because people have been created in the image and likeness of the Triune God This book uses historical theological philosophical and biblical approaches to understand the Christian person Throughout this book the reader will be engaged with the modern Greek theologian John Zizioulas However this book is a study on the person of the Holy Spirit though never separated from the trinitarian relationship who makes a human person a Christian

**The Antithesis Neither Jew Nor Greek in Gal** Ayodele Ayeni, 2012-05 In a nutshell our book shows that 1 Gal 3 28 is a formula 2 the dyad neither Jew nor Greek and corollaries Gal 3 28a 1 Cor 12 13b Col 3 11a is the only dyad that Paul develops 3 the demonstration of Christian identity is the quintessential argument of Gal 3 28 4 the meaning of Gal 3 28 is cumulative in other words it is by the assemblage of the different strands of arguments in Gal 2 3 1 Cor 12 Rom 1 3 10 Col 3 that permits one to justify the meaning of Gal 3 28 In a world wallowing in short memory Paul proposes the importance of history the history of salvation in a world of broken vows and shattered promises Paul proposes a faithful God who has a track record of keeping His promises in a world that doubted its salvation Paul proposes a free gift of salvation which goes beyond the power and shackles of sin salvation through faith in Jesus Christ in a world riddled with superiority complex Paul proposes a God who makes no distinction between Jews and Greek If words can persuade if cognition is any good the road to unity brotherhood and sisterhood of humanity is a sincere dialogue with an open mind
