**Forgotten Voices** Ulrich Merten,2017-07-05 The news agency Reuters reported in 2009 that a mass grave containing 1 800 bodies was found in Malbork Poland Polish authorities suspected that they were German civilians that were killed by advancing Soviet forces A Polish archeologist supervising the exhumation said We are dealing with a mass grave of civilians probably of German origin The presence of children suggests they were civilians During World War II the German Nazi regime committed great crimes against innocent civilian victims Jews Poles Russians Serbs and other people of Central and Eastern Europe At war s end however innocent German civilians in turn became victims of crimes against humanity Forgotten Voices lets these victims of ethnic cleansing tell their story in their own words so that they and what they endured are not forgotten This volume is an important supplement to the voices of victims of totalitarianism and has been written in order to keep the historical record clear The root cause of this tragedy was ultimately the Nazi German regime As a leading German historian Hans Ulrich Wehler has noted Germany should avoid creating a cult of victimization and thus forgetting Auschwitz and the mass killing of Russians Ulrich Merten argues that applying collective punishment to an entire people is a crime against humanity He concludes that this should also be recognized as a European catastrophe not only a German one because of its magnitude and the broad violation of human rights that occurred on European soil Supplementary maps and pictures are available online at <http://www.forgottenvoices.net>

Schwartz,2000-12-22 Harvey Schwartz s territory is the severe end of the child sexual abuse continuum where victims experiences are so unthinkable and their adaptations so bizarre that the rest

of us are tempted to pronounce them fictions whereupon we become complicit by subverting the survivors struggles to heal Schwartz synthesizes trauma theory and relational psychoanalysis to make sense of perpetrator collaborator and victim pathologies and exposes the tortuous double binds of therapy for and with dissociative patients His office is the last stop on a kind of underground treatment railroad his say it isn t so case material reverberates throughout **Exciting News!**
