interviews included in *Conversations with Neil Simon* Simon talks candidly about what it was like to write commercially successful plays that were dismissed by critics and scholars He also speaks at length about the differences between writing for television for the stage and for film He speaks openly and often revealingly about his relationships with among many others Mike Nichols Walter Matthau Sid Caesar and Jack Lemmon Above all these interviews reveal Neil Simon as a writer who thought long and intelligently about creating for stage film and television and about dealing with serious subjects in a comic mode In so doing *Conversations with Neil Simon* compels us to recognize Neil Simon's genius
