Journal of the Albany County Legislature of the County of Albany Albany County (N.Y.). County Legislature,Albany County, N.Y. County Legislature,1912 **Timeless Adventures- #4** Kristie Smith, *The Treatment of the War Dead in Archaic Athens* Cezary Kucewicz,2020-12-10 Exploring the representations of the war dead in early Greek mythology particularly the Homeric poems and the Epic Cycle alongside iconographic images on black figure pottery and the evidence of funerary monuments adorning the graves of early Athenian elites this book provides much needed insight into the customs associated with the war dead in Archaic Athens It is demonstrated that this period had remarkably little in common with the much celebrated institutions of the Classical era standing in fact much closer to the hierarchical ideals enshrined in the epics of Homer and early mythology While the public burial of the war dead in Classical Athens has traditionally been a subject of much scholarly interest and the origins of the procedures described by Thucydides as patrios nomos are still a matter of some debate far less attention has been devoted to the Athenian war dead of the preceding era This book aims to redress the imbalance in modern scholarship and put the spotlight on the Athenian war dead of the Archaic period In addition the book deepens our understanding of the processes which led to the establishment of first public burials and the Classical customs of patrios nomos shedding significant light on the military cultural and social history of Archaic Athens Challenging previous assumptions and bringing new material to the table the book proposes a number of new ways to investigate a period where many ancestral customs were thought to have their roots **Armagh Clergy and Parishes** James Blennerhassett
