## YOUR CHOICE

To capture iron-grip control over the greatest money, power, and romantic-love discovery since the Industrial Revolution may require several readings of the New-Tech Discovery. But once you pull that mighty integration of all 114 New-Tech Advantages, you will experience a tidal wave of power. With that power, you can squash every cancer and cure the every professional, media and mechanic for the past 1000 years. And with that mighty integration, you can reach the unlimited prosperity and romantic love.

By contrast, those not pulling that mighty integration will be left behind. And those not grasping New-Tech will grow increasingly unaware, uncompetitive, incompetent. ... They will be left behind, but in that stream of mystical origins. Left defenseless in a world of mechanists, they will increasingly succumb to the endless disease — the disease of exploitation. And then they will forever fade from existence.
