## International Bestseller Tok Trending:

How to Be Confident: The new book from the international number 1 bestselling author James Smith, 2022-09-01 From two times number one Sunday Times bestselling author James Smith comes HOW TO BE CONFIDENT the third instalment in James no nonsense guides to gaining the tools to empower your decision making and change your life **Zhang Yiming ByteDance and Beyond** Sebastian Hale, Founder of TikTok's parent company Yiming revolutionized global content algorithms His creation reshaped media consumption and privacy debates in the digital age **Bestsellers and masterpieces** Heather Blurton, Dwight F. Reynolds, 2022-08-16 Bestsellers and masterpieces The changing medieval canon addresses the strange fact that in both European and Middle Eastern medieval studies those texts that we now study and teach as the most canonical representations of their era were in fact not popular or even widely read in their day On the other hand those texts that were popular as evidenced by the extant manuscript record are taught and studied with far less frequency The book provides cross cultural insight into both the literary tastes of the medieval period and the literary and political forces behind the creation of the modern canon of medieval literature *The Heartbreakers* Ali Novak, 2015-08-04 When I wasn't reading this book it was all I wanted to be doing Adorably romantic and fun I loved it Kasie West author of *The Distance Between Us* From beloved Wattpad sensation Ali Novak author of *My Life with the Walter Boys* comes this swoon worthy YA romcom about a teen who accidentally falls for the lead singer of a world famous boy band perfect for fans of Jenny Han and Miranda Kenneally When I met Oliver Perry I had no clue he was the lead singer for The Heartbreakers And he had no idea that I was the only girl in the world who hated his music Stella will do anything for her sick sister Cara even stand in line for an autographed Heartbreakers CD for four hours She's totally winning best birthday gift this year At least she met a cute boy with soft brown hair and gorgeous blue eyes while getting her caffeine fix Too bad she'll never see him again Except Stella's life has suddenly turned into a cheesy love song Because Starbucks Boy is Oliver Perry lead singer for the Heartbreakers And even after she calls his music crap Oliver still gives Stella his phone number And whispers quotes from her favorite Disney movie in her ear OMG what is her life But how can Stella even think about being with Oliver dating and laughing and pulling pranks with the band when her sister could be dying of cancer First a hit on the online community Wattpad Ali Novak's second novel has over 38 million reads and is loved by readers around the world With a perfect balance of humor heart and romance *The Heartbreakers* is a great choice for readers looking for fun contemporary romance for teens Wattpad love stories romcoms that cover deeper issues like family illness and self discovery binge worthy YA novels

Systems from Hell David A. Rochefort, 2024-12-01 This book approaches contemporary fiction as a medium for policy advocacy one whose narrative devices both link it to and distinguish it from other forms of public discourse Using the framework of political agenda setting David A Rochefort analyzes the rhetorical function of problem definition played by literary works when they document and characterize social issues while sounding the call for systemic reform Focusing on a

group of noteworthy realist novels by American authors over the past twenty years this study maintains that fictional narrative is a potentially influential instrument of empathic policy argument The book closes by examining the agenda setting dynamics through which a social problem novel can contribute to the process of policy change

**Narratives of Pedagogical Development and Navigation of Educational Contexts** Gierhart, Aaron R.,2025-06-19 Educators continually adapt and grow within the changing landscape of teaching and learning As they respond to new challenges ranging from policy reforms and technological shifts to diverse classroom dynamics they craft personal and professional narratives that reflect their pedagogical approaches These stories reveal how teachers make sense of their experiences negotiate their roles and strive to meet the needs of their students within complex educational settings Understanding these journeys may offer valuable insights into the ways educators learn reflect and transform their practices Narratives of Pedagogical Development and Navigation of Educational Contexts explores various stories of pedagogy and teaching as a process of growth and change It presents an alternative to traditional views of teaching as a profession examining the social and political forces impacting education and highlighting the realities of teaching amidst various social challenges and political issues This book covers topics such as sociology teacher training and education policy and reform and is a useful resource for educators sociologists policymakers academicians researchers and scientists
