aligarh movement wikipedia - Aug 08 2023

the aligarh movement was the push to establish a modern system of western style scientific education for the muslim population of british india during the later decades of the 19th century the movement s name derives from the fact that its core and origins lay in the city of aligarh in central india and in particular with the foundation of the muhammadan anglo oriental college in 1875 the founder of the oriental college and the other educational institutions that developed fr
