Spiritual Thoughts on Material Things E. G. Link, 2009-07 Jay Link has devoted his life to teaching the wealthy what God says about how to live a prosperous life Now you can join him on a 30 day trip toward understanding God's principles of stewardship Scripturally based his stories and wise thoughts may challenge your thoughts regarding wealth accumulation generosity planning and your purpose in building God's kingdom Each day's reading concludes with a few Food for Thought questions to further your understanding and apply what you have learned Cristianbook.com 'Grossly Material Things' Helen Smith, 2012-05-03 In *A Room of One's Own* Virginia Woolf described fictions as grossly material things rooted in their physical and economic contexts This book takes Woolf's brief hint as its starting point asking who made the books of the English Renaissance and what the material circumstances were in which they did so It charts a new history of making and use recovering the ways in which women shaped and altered the books of this crucial period as co authors editors translators patrons printers booksellers and readers Drawing on evidence from a wide range of sources including court records letters diaries medical texts and the books themselves *Grossly Material Things* moves between the realms of manuscript and print and tells the stories of literary political and religious texts from broadside ballads to plays monstrous birth pamphlets to editions of the Bible In uncovering the neglected history of women's textual labours and the places and spaces in which women went about the business of making Helen Smith offers a new perspective on the history of books and reading Where Woolf believed that Shakespeare's sister had she existed would have had no opportunity to pursue a literary career *Grossly Material Things* paints a compelling picture of Judith Shakespeare's varied job prospects and promises to reshape our understanding of gendered authorship in the English Renaissance *A Biblical Theology of Material Possessions* Gene A. Getz, 2012-04-01 Some researchers estimate that evangelical Christians give an average of 2 percent of their income to further the kingdom of God Such a practice reveals a theology of material possessions that is clearly out of line with God's Word Gene Getz in an extensive search reveals intriguing detailed information on the subject of material possessions based on Scripture The synthesis of this and selected extrabiblical literature resulted in the formation of more than 120 biblical principles that can be applied by any person in any culture Dr Getz not only shares these principles but offers guidance for church leaders and laypeople who want to apply them in their church **The New England Medical Gazette**, 1916
