*Masters of Wisdom of Central Asia* Hasan Lutfi Shushud, 2014-08-22 Reveals the secret teachings of the Khwajagan the Masters of Wisdom of Turkish Sufism Provides biographies for the entire lineage of teachers in the Naqshbandi order such as Yusuf Hamdani the first recognized Khwajagan and Baha al Din Naqshband from whom the Naqshbandi order of Sufis took its name Shows that this spiritual path focuses on expanding awareness of the heart to reach God consciousness An essential guide for understanding Itlak Yolu the Sufi path of Absolute Liberation and fana Annihilation in God Almost one thousand years ago a new and powerful nexus of spiritual transmission emerged in Central Asia and lasted for five centuries reaching its culmination in the work of the Khwajagan or Masters of Wisdom Like the much earlier Rishi Pantha of India these masters of Turkish Sufism were not renunciates but advocated maintaining an active connection with the world including raising a family or running a business They exerted a remarkable influence on the destiny of Central Asia yet their chief significance lies in their almost unparalleled depth of spiritual perfection Based on primary Persian and Turkish sources the same texts used by the Sufi authority Idries Shah in his many books Masters of Wisdom of Central Asia explores the entire lineage of teachers from this golden age of Islamic Sufism Author Hasan Shushud provides brief biographies of each teacher such as Yusuf Hamdani the first recognized Khwajagan Ahmad al Yasavi the father of Turkish Sufism and Baha al Din Naqshband from whom the Naqshbandi order of Sufis took its name He examines their spiritual journeys their writings and teachings and their most famous sayings incorporating occasional parables to illustrate their wisdom Shushud reveals how this spiritual path focuses on expanding awareness of the heart and how heart awareness is a prerequisite for divine contemplation and God consciousness for the heart is the manuscript within the body on which the infinite mysteries of the Godhead are recorded An essential guide for understanding Itlak Yolu the Sufi path of Absolute Liberation and fana fi llah Annihilation in God this book is an indispensable work for anyone interested in Sufism or the spiritual history of Central Asia The Masters of Wisdom J. Bennett, 2018-08-05 The Masters of Wisdom is the last book to have been published during the John Bennett's lifetime and is probably the most unusual having little in common with his previously published works except in serving a number of discrete objectives Originally planned to be incorporated into a single volume to be entitled Gurdjieff and the Masters of Wisdom this work was separated from what became Gurdjieff Making a New World which eventually was published a year earlier in 1973 In the last years of Bennett's life he had been deeply affected by his close association with the Turkish mystic Hasan Lutfi Shushud and originally a contract was drawn up with a London publishing house for the combined work in which both men were signed as joint authors However before anything was written Shushud abruptly withdrew his support for the project ostensibly on the grounds of a disagreement with the publishers Only after Bennett's death in 1974 Shushud indicated privately that he found Gurdjieff's teaching and methods offensive There is however some overlap between the two books and The Masters of Wisdom draws on Gurdjieff's resources as well as material provided by

Hasan Shushud The Masters of Wisdom is unlike Bennett's other books not only in the way it is constructed which appears to be somewhat out of balance but also in the content. The first three chapters provide an overview of material presented 8 years earlier in the fourth volume of The Dramatic Universe of the Earth as single intelligent whole in which humanity plays an increasingly active role and must accept greater responsibility. These chapters provide an introduction to Chapter 4 which presents an account of the Christ Event not to be found anywhere else and by Bennett's own account arising out of insights vouchsafed to him privately by Gurdjieff. The next chapter serves as a bridge to the second major detailed message Bennett shares which concerns the extraordinary period spanning at least 350 years when a group of men within a single unbroken tradition played a pivotal and benign role in otherwise catastrophic events. It is not clear why Bennett devotes an entire chapter to Genghis Khan in a book entitled The Masters of Wisdom except that he appears to have been an exceptionally gifted individual whom Bennett apparently admired for his great self control and his willingness to accept guidance from a spiritual director. The researches Bennett completed in his last years led him to certain conclusions which may not have been fully expressed in this account. Unlike Bennett's other books The Masters of Wisdom contains hidden messages and also occult elements which are accessible to those able to access them. Beelzebub's Tales to His Grandson and The Dramatic Universe showed the transformative power of books but like Meetings with Remarkable Men this book imparts information which remains hidden except from those readers who find the key. The book is also unlike any of Bennett's other books in containing secret magic elements opening mystical channels. Since the text was left unfinished when Bennett died it is not possible to know for certain whether the message of the book is complete or would have included other material such as the very detailed accounts that Bennett gave to his student in the last months the esoteric phase of the Third Basic Course. Overall the message is of the planet we inhabit seen as a single indivisible whole of which we human beings are an important element but which is subordinate to the Cosmic forces.
