

A painting of a woman's face, rendered in a style that is both realistic and abstract. The face is primarily pink and flesh-toned, with a focus on the eye, nose, and mouth. A large, angular geometric shape, composed of red, orange, and yellow, is superimposed on the upper left portion of the face. Below this, a blue geometric shape, consisting of a large triangle and a trapezoid, covers the lower right side of the face. The overall effect is a blend of traditional portraiture and modern graphic design.
