Deuink,1985 The purpose of this book is to help the reader recognize the importance of pupil personnel services in the Christian school and to provide assistance to those who will initiate such a program in their particular schools Pupil personnel services present a special problem to Christian school administrators Even the smallest school needs all the services we discuss in this volume However when the budget is limited many school officials are reluctant to hire an additional staff member Recognizing the problem a small school faces in providing proper personnel we have made a number of suggestions of ways to combine administrative duties with the traditional role of the counselor We have divided the various duties of the guidance counselor into three categories administrative counseling and clerical Not all of the counselor s activities lend themselves to these divisions but we have followed this approach in the interest of all readers including those who may not be familiar with the guidance aspect of education The first three chapters provide the foundation for the remainder of the book These three chapters along with Chapter 14 are addressed to the administrator and others responsible for the overall supervision of the school Chapters 4 through 13 provide instruction for the one responsible for carrying out the counselor s duties It is our conviction that the ministry of the local Christian school can be greatly enhanced by a well planned program of pupil personnel services We trust that you will give serious consideration to the ideas presented here Preface God's Choice Alan Peshkin,1988-06-15 Is Bethany Baptist Academy God s choice Ask the fundamentalist Christians who teach there or whose children attend the academy and their answer will be a yes as unequivocal as their claim that the Bible is God s inerrant absolute word Is this truth or arrogance In God s Choice Alan Peshkin offers readers the opportunity to consider this question in depth Given the outsider s rare chance to observe such a school firsthand Peshkin spent eighteen months studying Bethany s high school interviewing students parents and educators living in the home of Bethany Baptist Church members and participating fully in the church s activities From this intimate research he has fashioned a rich account of Christian schooling and an informed analysis of a clear alternative to public education *Resources in Education* ,1975 □□□□□□□□□□ ,1912 Readers' Guide to Periodical Literature ,1916 Author and subject index to a selected list of periodicals not included in the Readers guide and to composite books
