Tom Norman,2015-02-03 Leadership Course Practical Strategies To Develop Leadership Skills And Become A Great Leader That People Will Follow Read on your PC Mac smart phone tablet This book contains proven steps and strategies on how to develop useful leadership skills and how to become a leader that people will follow Leaders are not born Leaders are built Becoming is not as easy as ABC or 123 nor does the transformation happen overnight Becoming a good leader entails dedication passion and will And the first step in this thousand mile journey is to know the twists and turns of being a leader In this book you will not only learn a handful of things you need to know about leadership but also see and understand everything it takes to be a true leader Welcome aboard The Leadership Course Here Is A Preview Of What You'll Learn Leadership Defined Kinds of Leadership What Leadership Is Not World's Best Leaders Formula to Becoming a Good Leader

Leadership in Books and Films Much much more Leadership Defined Leadership is a term so broad and an idea so vast that many people have various perceptions on what leadership means In a rather simple context leadership is a trait or quality attributed to a leader and a leader is seen as someone whom a group of people follows or somebody who guides and directs his subordinates A leader is someone who can do so much as to influence other people and enlist their aid and support Since the term and the idea itself slightly varies a handful of those whom we consider as leaders have given their insights regarding leadership It is a must to realize what leadership is for these people who have become leaders themselves Lao Tzu had something to say about leadership This much revered ancient Chinese philosopher and founder of Taoism is a leader himself His influences not only on his homeland but also on the entirety of the world have been so vast and powerful that his teachings continue to live on until today Lao Tzu said A leader is best when people barely know he exists when his work is done his aim fulfilled they will all say we did it ourselves Lao Tzu s thought on leadership is a rather deep one extending beyond the physical For Lao Tzu a leader does his job best when he can make his men accomplish their mission without him actually taking part in the physical endeavors A leader is someone who brings out his men s best potential not someone who does most of the work One of the greatest military leaders in the world s history the French general and emperor Napoleon Bonaparte appears to same almost the same thoughts of leadership with Lao Tzu When I give a minister an order I leave it to him to find the means to carry it out For him leadership is not about directing people all the way through getting a job done Being a leader involves choosing the right men to do the right job and letting them do it their way *Emotional Intelligence* Samantha Scott,2021-01-07 Are you a person that often understands how others are feeling Do you understand your own emotions Or are you someone that is always confused as to how other people feel Do you have trouble looking at something from another person s point of view Do you want to change your life but you re unsure of where to begin If you feel like you could use help in any of these areas then this book is for you In this book you ll learn What is Emotional Intelligence EI Attributes of people with low Emotional Intelligence Attributes of people with high Emotional Intelligence How can Emotional Intelligence benefit you Why should you increase your level of Emotional Intelligence The benefits of high EI in the workplace The benefits of high EI in relationships How to increase your Emotional Intelligence Strategies for increasing your EI Controlling and managing your emotions The benefits of having and showing empathy Reflecting on and understanding your emotions How to begin understanding your emotions The importance of maintaining a high level of EI And so much more The above topics will not only provide you with many tips and methods for improving your Emotional Intelligence but they will also give you a strong basic understanding of what Emotional Intelligence is and how it functions By understanding what it entails you ll be more invested in the process which will prevent you from giving up early This book is effective because it teaches you how to employ realistic and useful habits and techniques that anyone can use to increase their Emotional Intelligence The concepts within this book are easy to understand and apply as long as you keep an open mind and

a learning mindset With this book you ll find that your life will change in many ways By increasing your level of Emotional Intelligence you ll find that your relationships grow stronger and more intimate your workplace performance and relationships increase and that your life as a whole becomes more enriched You ll thank yourself for reading this book for years to come This book contains a wealth of solutions that you can begin to put into practice immediately for you to make lasting changes in your life Start your journey to Emotional Intelligence today Grab your copy of Emotional Intelligence now
