Today's Superstars Entertainment: Will Smith (EasyRead Super Large 18pt Edition) , American Legends Charles River Charles River Editors,2013-09-12 Includes Ali s most colorful quotes Includes pictures of Ali and other boxers he fought To prove I am great he will fall in eight Muhammad Ali A lot of ink has been spilled covering the lives of history s most influential figures but how much of the forest is lost for the trees In Charles River Editors American Legends series readers can get caught up to speed on the lives of America s most important men and women in the time it takes to finish a commute while learning interesting facts long forgotten or never known The sports world has never suffered from a shortage of self promoters but none have ever walked the walk and backed up the talk like Muhammad Ali boxing s greatest icon and possibly history s most famous athlete Indeed even referring to Ali just as a boxer does a disservice to the transcendent figure he has become around the world as a living legend Of course the legend of Ali begins in the squared circle where a young brash kid named Cassius Clay rose to the top of the boxing world with a style so unorthodox that anyone else attempting it would all but assure he d get knocked out But Ali became the heavyweight champ by keeping his hands low floating like a butterfly and stinging like a bee and outboxing heavyweight champions like Sonny Liston Joe Frazier George Foreman and Floyd Patterson In his early years Muhammad Ali truly was the Greatest and he could only be stopped by the Vietnam War when his refusal to enter the armed forces resulted in his arrest and the stripping of his title Ali also lost 3 years of his fighting prime before returning to the ring but his most iconic fights were still ahead of him including the The Thrilla in Manila and The Rumble in the Jungle By now Ali s outspoken nature had earned him both praise and scorn in the boxing world and outside of it Smokin Joe Frazier spent decades infuriated by Ali s disparaging comments about him during their clashes In fact it s unclear whether Ali would be as idolized as he is now if he hadn t suffered Parkinson s Disease likely a result of all his fights and the longevity of his career Since his retirement Ali has remained a pop culture fixture and global icon and he has been honored with too many awards to count Held in awe just about everywhere Ali has lit the torch at the Olympics received the Presidential Medal of Freedom and received the Presidential Citizens Medal among other honors American Legends The Life of Muhammad Ali looks at the life and career of boxing s greatest icon his colorful quotes and his lasting legacy Along with pictures of important people places and events
