## **Muhammadman Of Allah:**

**Muhammad, the Messenger of Allah** Abdurrahman Al-Sheha, Abdul Rahman Al-Sheha, 2005 *Muhammad's Allah* Ahmed Hulusi, 2012-05-02 Why not just Allah Why Muhammad s Allah This unique book explains that Allah is not a god deity and that this god concept we have all come to embrace as a result of misleading information and conditioning is not the Allah expounded by Muhammad saw Everyone from the most learned to the most ignorant has a concept of God A God that we love get angry with judge and even accuse at times for doing wrong by us We imagine this God who sits on a star in the heavens or dwells somewhere in space to be like a benevolent paternal figure or a majestic sultan Those with broader views are well aware of course that such a God cannot exist and claim they do not believe in a God proudly declaring themselves as atheists Whereas neither the aforementioned believers who postulate a God with their hearsay knowledge and conditionings nor the atheists who deny and reject the idea of a God have any awareness of Allah as explained by Muhammad saw So what is the reality of Allah revealed by Muhammad saw Muhammad saw who articulated the Quran to us taught us there is no God that there is only Allah that there is a System present within life by which those who fail to comply are led to suffer the consequences of their own actions If we live with the awareness of the existence of an afterlife our primary concern should be to know Allah and the life awaiting us after death so that we may prepare accordingly Taking this into consideration let us now try to understand the One denoted by the name Allah disclosed by Muhammad saw

The Mysteries of Allah and His Muhammad Fatai Badmos, 2016-12-02 The Mysteries of Allah and His Muhammad is indeed a scanty summary of a potentially great debate However unwieldy or incomprehensible the actual details may be certain contexts of the whole or part can always be identified for discussion In the physique of mankind Allah manifests He does so on nature glaringly just as is inferred from various sections of the book Whilst He does the divinity of a being not more than a prophet is also undoubtedly established That co joining of the One and Only Creator and a creation a man Muhammad who coincidentally is most positively and negatively controversial should interest those who consider man to

be the meanest of God's creations That we may not discount knowledge of any sort even that considered most sacrilegious science God's inspiration to a mortal being Muhammad corroborates too many ideas put forth by scientists or intellectuals discoveries and postulations What a mystery that the lightbulb which in theory and description was already encoded in the Quran more than a thousand years ago before one bulb ever rolled out in a factory Only simple minds take things for granted and give no thought to the grandiose schemes of our world and its elements This book serves as a jolt to those who oversimplify what is or the mysterious
