## Mulroney Others:

*Mr. Smith Goes to Ottawa* David C. Docherty, 2011-11-01 In *Mr Smith Goes to Ottawa* the author compares the 34th 1988-93 and the 35th 1993-97 Parliaments. The former the second consecutive Conservative led majority government could not appear more different from the Liberal one which followed. Over two thirds of its members were rookies. More significantly over one third represented two new political parties the Bloc Quebecois and the Reform party. Yet for all this change Docherty shows that the new agendas of the 35th Parliament have not translated into changes in the legislative behaviour or socialization of new members. Unlike Jimmy Stewart in Washington the majority of the men and women who go to Ottawa end up accepting a limited policy role. **Friends**, **NewsCan**, 1991 *History Has Made Us Friends* Donald E. Abelson, Stephen Brooks, 2024-06-15 Separated by the world's longest land border and engaging in over three billion dollars in trade daily Canada and the United States share security concerns cultural interests and a history spanning more than 250 years. Alan Rock former Canadian ambassador to the United States has said that this special relationship represents a bond that is beyond practical. It borders on mystical. The rise of nativist sentiment however has raised concerns over preserving this relationship. *History Has Made Us Friends* illuminates the nature and dynamics of Canada-US relations examining their history attributed meaning and conceptualization. Contributors consider many angles and perspectives including the impact of geopolitical change to determine whether the relationship warrants the moniker special. They explore whether shared values and demographic similarities continue to cement the relationship and if it still matters whether presidents and prime ministers get along. While things look different today from when President Kennedy declared 'What unites us is far greater than what divides us' *History Has Made Us Friends* argues that the Canada-US relationship often narrowly understood or dismissed as a relic of the past continues to be unique and resilient. **Leaders & Lesser Mortals** John Laschinger, Geoffrey Stevens, 1992 *The Canadian General Election of 1984* Alan Frizzell, Anthony Westell, 2013-12-30 This book provides a concise and readable guide to the 1984 federal election. **History of Palo Alto County, Iowa** Dwight Gaylord McCarty, 1910 *Spinwars* Bill Fox, William J (William John) Fox, 1999 Today's media world is dominated by a legion of spin doctors whose job it is to feed you the news consumer a package labelled the truth. Spin doctors abound in today's media world from the pundits whose interpretations you read with your morning coffee to the lobbyists whose voices preach on the evening's 11:00 o'clock news. In a world where the facts are manipulated in order to fit a pre-set corporate agenda where does the truth stand? *Spinwars.ca* is the story of how the spin doctors got out of control. By tracing the delicate relationship between media and politics over the last 50 years Fox identifies key events that have radically affected the balance between the third and fourth estates. From corporatization to television from pundits to celebrity journalism *spinwars.ca* reveals the truth about the spin doctors who have broken free of their boundaries and overturned the system. *Spinwars.ca* however is not a bad news story because a solution is at hand. New media is currently emerging that Fox predicts will rectify
