Multiplying Disciples Waylon B. Moore, 1981 **This Way to Youth Ministry** Duffy Robbins, 2004 Practical applications theological foundations and valuable information for the student beginning a youth ministry **Invitation to Evangelism** Timothy K. Beougher, 2021-08-24 Essential guidance for a lifestyle of sharing God's good news with a lost world What exactly does it mean to evangelize in a Christian sense And how is such evangelizing supposed to be done Longtime pastor evangelist and professor of evangelism Timothy K Beougher answers these questions and more from theological historical and practical perspectives Beougher demonstrates God's goodness in evangelism through relatable anecdotes Bible teaching and encouraging instruction Invitation to Evangelism welcomes believers into the experience of stepping out in faith of behalf of people God loves Most Christians know that they should be sharing the good news of Jesus Christ with nonbelievers and most also know they aren't witnessing very well or even at all They need help internalizing the content of gospel proclamation and identifying the best way to go about making evangelism a natural part of their lives Invitation to Evangelism guides readers through the essential issues of the gospel message evangelism methods and witnessing models so they are ready and excited to move out in faith as everyday evangelists Beougher's biblical theological historical and practical teaching revolves around following essential aspects of being an evangelist Having compassion as the motivation for evangelism Understanding the good news of Jesus Christ Seeing lost people as persons God loves Relying on the power of the Holy Spirit Paving the way for new believers to share their faith eagerly with others Ventures in Discipleship John R. Martin, 1998-10-06 This unique book promises to be profoundly useful for all who take it seriously Merely to talk about what we should be doing is surely one form of cheap grace The book provides concrete steps for making discipleship a way of life not just a way of talk Ventures in Discipleship is extraordinarily practical with its uncommon mix of doctrine and application reflection and action theological probing and challenge to commitment basic discipleship and a broad range of specific disciplines No group of believers can use this book with serious intent and fail to move closer to real kingdom living to genuine following of Jesus Christ Howard A Snyder The Church Triumphant at the End of the Age Nate Krupp, 2017-08-08 The Church Triumphant at the End of the Age offers a victorious glimpse of His Bride in these Last Days It is GOD working among His people as characterized by revival restoration unity world evangelization and persecution The purpose of this book is to prepare all believers to rise up touch their world with the Good News of Equipping Laity for Church Growth Mangal Man Maharjan, 2002 Introduction to Evangelism Delos Miles, 1983 Growing Up Robby Gallaty, 2013-11-11 If you are serious about being a disciple of Jesus Christ really truly serious a discipleship group can help you achieve that goal Jesus established this model for us by forming and leading the first discipleship group and it worked The men who emerged from that group took the gospel to the world and ultimately laid down their lives for Christ Discipleship groups can create an atmosphere for fellowship encouragement and accountability building an environment where God can work In Growing Up

How to Be a Disciple Who Makes Disciples Robby Gallaty presents a practical easy to implement system for growing in one's faith This guide offers a manual for making disciples addressing the what why where and how of discipleship D Groups as Gallaty calls them can teach you and others how to grow your relationship with God how to defend your faith and how to guide others in their relationships with God Growing Up provides you with an interactive manual and resource for creating and working with discipleship groups allowing you to gain positive information both for yourself and for others as you learn how to help others become better disciples for Christ The Church Triumphant Nate Krupp,1988-02 **Repairing the Missional Breach** Kevin Blackwell,2024-04-02 Making disciples is the primary calling of the church however in the past decades of American evangelicalism there has been a breach of Christ's Great Commission as found in Matt 28 19 20 Much of this failure can be attributed to the doctrine and practice within three modern church movements The book offers a history and critique of modern American evangelical church movements including the Church Growth Emergent Church and Missional Church movements Each of these movements did not result in disciple making multiplication In this book you will find an analysis of disciple making in these movements as compared to the methods and model of Jesus Informed by these critiques formative ministry adjustments are presented as a faithful path for future missional approaches *Another Generation* W. A. Davis,1985 **The Publishers' Trade List Annual** ,1985 **God Dwells Among Us** G. K. Beale,Mitchell Kim,2021-12-21 What does the temple mean for the church's ongoing mission in the world This ESBT volume examines temple theology throughout Scripture exploring how this theme relates to Christian life and witness today God has always desired to dwell among us now the church must follow its missional call to extend the borders of God's kingdom and take his presence to the ends of the earth **Recording for the Blind & Dyslexic, ... Catalog of Books** ,1996 *How to Multiply Your Church* Ralph Moore,2009-08-14 Churches in North America are bigger than ever but their slow rate of growth cannot keep up with population increases Existing churches simply cannot add enough new believers The good news is that by multiplying steadily and strategically planting new churches that in turn plant new churches the global Church creates more of what Ralph Moore calls harvest points In *How to Multiply Your Church* Pastor Moore shows church leaders and pastors why multiplication is the key to growing God's global kingdom in their communities and he offers them proven methods for implementing multiplication in their existing churches Countless leaders have found an indispensable resource in starting a new church because of Pastor Moore's vast firsthand experience and practical wisdom *How to Multiply Your Church* is the next leap forward for those who long to see God's kingdom increase *Religion Index One* ,1985 *Christianity Today* Carl Ferdinand Howard Henry,1981 A fortnightly magazine of evangelical conviction *Church Growth* C.
