## Mum And The Blowfly:

**Judy** ,1871 *Take Two* Danielle Hawkins,2024-03-26 A brilliant funny new novel from the bestselling beloved Danielle Hawkins Take Two is that rare and special thing a novel that is effortless to read I sped through it in a day but is also emotionally genuine and original Danielle Hawkins is a natural storyteller with a light touch and she doesn t shy away from the gritty and the real She is New Zealand s very own version of Marian Keyes Nicky Pellegrino Sometimes you have to revisit your past to find your future Laura and Doug were together for ages Their breakup was just one of those things she wanted children he didn t no hard feelings at least not until with their relationship barely cold in its grave he got his new girlfriend pregnant Now seven years later a polite social call to his parents lands Laura back in the family helping Doug and his playboy younger brother to cope with a whole raft of crises And what better time to re evaluate your major life decisions than when you re wrangling a farm a bookshop two small children your ex s wife in labour and his two sick parents This is Danielle Hawkins best novel yet Funny tender and not afraid to tackle the big issues it will have you laughing and shedding tears in equal measure Hawkins is reliably kind drily funny and observant like Jane Austen in Red Band gumboots The New Zealand Herald

**Service**, 1962    The Art of the Short Fiction Film  
Richard Raskin, 2015-10-06 This work is the first of its kind to single out individual short fiction films for comprehensive presentation and close study. Two Men and a Wardrobe Roman Polanski Poland 1958 15 min Coffee and Cigarettes Jim Jarmusch USA 1986 6 min Sunday John Lawlor Ireland 1988 8 min Cat's Cradle Liz Hughes Australia 1991 12 min Eating Out Pal Slettaune Norway 1993 7 min Come Marianne Olsen Ulrichsen Norway 1995 4 5 min Wind Marcell Ivanyi Hungary 1996 6 min Possum Brad McGann New Zealand 1997 14 min and The War Is Over Nina Mimica Italy 1997 7 min are the nine short fiction films studied. The films represent a broad range of storytelling approaches and a number of very different film cultures. Each film has a chapter of its own including a shot by shot reproduction of the film with a still from every shot. In most cases an interview with the director and an original screenplay and storyboard is also included. The book also describes a new conceptual model derived from the films studied in the work which can be used both for analyzing the ways in which a short fiction film tells its story and as a set of guidelines for student filmmakers writing their own screenplays. Instructors considering this book for use in a course may request an examination copy here.
