## **Murder For Father:**

**In My Father's Name** Mark Arax,1997-08 On January 2 1972 Mark Arax's childhood came to a sudden explosive end when his father was shot to death at his nightclub in Fresno California It was one of the most sensational murders in California's heartland and it was never solved Mark only fifteen years old at the time was left with a legacy of questions Were the rumors about his father true Had he led a double life Was he killed because of his dealings with the underworld Mark Arax an award winning journalist at the Los Angeles Times now writes a searing intensely personal account of his twenty two year search for answers about his father's life and death and his own identity As the oldest child Mark was thrust into the role of patriarch His quest for answers began in high school when he sought out his father's father an Armenian immigrant His grandfather opened a window into an old country world full of promise and heartbreak and four generations of eccentric family members Two decades later Mark uprooted his wife and baby and returned to Fresno under an assumed name to try and determine who killed his father and why Fearing for his own life he discovers his father was murdered just before he was going to make a startling disclosure More than a true life murder mystery more than an exploration of family and culture In My Father's Name is the poignant story of one man's remarkable journey as he uncovers long hidden secrets about his father his family his heritage and the town he once called home
