***Murder in Exile*** Vincent H. O'Neil,2006      ***An Exile's Romance*** Arthur Louis Keyser,1887      ***Murder in Exile*** Vincent H. O'Neil,2006-04-18 Frank Cole is laying low in the Panhandle of sunny Florida working as a fact checker for an insurance company while he awaits an appeal The job doesn't offer much responsibility which is exactly what he wants Plus it manages to keep his analytical mind busy so that he's not obsessing over his uncertain future It seems like a nice setup for the time being but things don't go as planned Eddie Gonzalez a young man who only recently bought life insurance is killed in a hit and run accident The insurance company hires Frank to look into Eddie's life Frank thinks the company is just trying to get out of paying the money and he sets out to prove the legitimacy of the claim In doing so he manages to ruffle the feathers of Dennis Dannon the chief of police and a friend of the Gonzalez family and to bring threats down upon his own head As Frank looks further into the case it becomes clear that Eddie's death was not an accident and that the killers actually had another target in mind Vincent H O'Neil makes a stunning debut with this first mystery the winner of the Malice Domestic Contest With a likable sleuth and top notch plotting *Murder in Exile* is a welcome and exciting addition to the genre

From one of America's most compelling novelists comes the mesmerizing story of a lawyer who must defend the woman he loves against a charge of conspiring to assassinate the prime minister of Israel David Wolfe's life is approaching an exhilarating peak he's a successful San Francisco lawyer he's about to get married and he's being primed for a run for Congress But when the phone rings and he hears the voice of Hana Arif the Palestinian woman with whom he had a secret affair in law school he begins a completely unexpected journey The next day

the prime minister of Israel is assassinated by a suicide bomber while visiting San Francisco soon Hana herself is accused of being the mastermind behind the murder Now David faces an agonizing choice Will he a Jew represent Hana who may well be guilty or will he turn away the one woman he can never forget The most challenging case of David s career requires that he delve deep into the lives of Hana Arif and her militant Palestinian husband both of whom have always lived in exile Ultimately David s quest takes him to Israel and the West Bank where in a series of harrowing encounters he learns that appearances are not at all what they seem Culminating in a tense and startling trial with international ramifications Exile is that rare novel that both entertains and enlightens At once an intricate tale of betrayal and deception a moving love story and a fascinating journey into the lethal politics of the Middle East this is Richard North Patterson at his most brilliant and engrossing
