Jack Markov was building his professional reputation as nurse manager by moving from one medical group to another and implementing the changes he believed were necessary to ensure that they would thrive in the coming decades. But these changes adversely affected the benefits and working conditions of his nurses. Now Jack was coming to the North Bayonne Medical Group and his reputation had preceded him. At the retirement party for the outgoing nurse manager Jack gave a speech reaffirming the nurses' worst fears. Someone attending the affair decided to act before Jack could even start his first day on the job. That person poisoned Jack's drink with methanol and a few hours later Jack was dead. Two months later the police were making no progress and the medical group hired detective Amy Bell to investigate the killing. Amy soon realized that she had an overabundance of suspects. All twenty-three nurses at the party hated Jack's guts. So did their spouses, many of whom were also in attendance. But as the vivacious and witty Amy dug deeper she discovered that several people at the party had other motives for killing Jack. She uncovered ugly and painful secrets that they would not want revealed. However, even with the assistance of her husband Jeremy with whom she had many loving but fierce political disputes, Amy realized that identifying the killer at this point was a long shot. And bringing the killer to justice by coming up with proof was an even longer shot. Author David Schwinger when not writing Amy Bell mysteries there are now ten enjoys composing songs playing pickleball and traveling the world with his wife Sherryl. Until her plans to stall Jim's retirement result in her husband being suspected of murdering his retirement coach. P 4 of cover      **Outfoxed by Murder** David Schwinger, 2024-10-30 When Lance Redding put on his full-body fox costume with a smiling fox head and then changed back to regular clothes, some women found him irresistible. But as a rule, Lance was anything but nice to those women. When Lance was shot to death shortly after hosting a fox party at his home, his business colleague and good friend George hired smart and sexy supersleuth Amy Bell to investigate. She quickly discovered that while there were lots of suspects, they all had seemingly airtight alibis. Clearly, she was missing something, something big. It would require all of Amy's talents to solve this case. Or would Amy end up being outfoxed? Author David Schwinger, when not writing Amy Bell mysteries, there are now seventeen enjoys composing songs, playing trivia, and traveling the world with his wife Sherryl. **Murder Was the Only Option** David Schwinger, 2025-06-25 When James Mandoor, founder and president of Mandoor Specialty Insurance (MSI), married his recently hired receptionist Elaine, who was half his age, many people were not very optimistic regarding the future of the marriage. But two years later, both Elaine and James seemed to be very happily married and very much in love. Then the Yonkers police found the bodies of Elaine and also that of a con man, ladies man named Gary, on the floor of a small secluded cabin owned by MSI. Both had been shot dead. The three VPs of MSI got together to retain the services of smart, sexy supersleuth Amy Bell to investigate the double murder. She soon discovered that Elaine's past behavior was very far from squeaky clean, and there were several people who had reasons to want her dead. The same for Gary in spades. However, many of Amy's suspects had good alibis, and others passed lie detector tests. Clearly, Amy was missing something, something big, while her chances to find some sort of new evidence were running thin. Could she somehow break through and solve the double murder? Author David Schwinger, when not writing Amy Bell mysteries, there are now eighteen enjoys composing songs, playing trivia, and traveling the world with his wife Sherryl. David first met Sherryl when she was his student in a mathematics class he taught at City College of New York. Their secret romance became the inspiration for his first Amy Bell mystery **The Teacher's Pet Murders**.      **Murder Makes Music** David Schwinger, 2019-09-19 Tony Capadora was in big trouble. He had been charged with the shooting murder of pop singer/songwriter Filip Beron, and the evidence against Tony appeared to be overwhelming. To start, Tony had publicly accused Filip of taking credit for writing a hit song that Tony had actually composed. Then the murder weapon had been found buried in Tony's backyard. Finally, Filip had been able to write in his loose leaf the first four letters of Tony's last name just before he died. Tony was innocent, but he had no

alibi and very little hope of avoiding decades in prison Then superstar detective Amy Bell was hired to try to clear Tony and find the real killer With the encouragement and assistance of her husband Jeremy Amy slowly but surely uncovered various aspects of Filip s dark side She identified many people who had reason to wish that Filip were dead But it would take more than just finding other possible suspects to save Tony from the nearly airtight case against him A police detective told Amy she was pursuing a ten million to one long shot But the vivacious and witty Amy was not one to give up regardless of the odds Author David Schwinger when not writing Amy Bell mysteries there are now eleven enjoys composing songs playing pickleball and traveling the world with his wife Sherryl He first met Sherryl when she was his student in a mathematics class he taught at City College of New York Their secret romance became the inspiration for his first Amy Bell mystery The Teacher s Pet Murders
