Unpunished Thornton W. Price, 2005 In November of 1977 Terry Lee Farmer a white inmate at Arizona State Prison in Florence walked up to black prisoner Waymond Small in front of sixty witnesses and stabbed him in the heart with a shank Small had agreed to testify before the state legislature about gang violence inside Arizona State Prison and was murdered the day before his scheduled appearance This murder proved the catalyst for an all out war between the State of Arizona and the Aryan Brotherhood Through five trials Farmer claimed self defense and the jurors acquitted all ten of his co conspirators Thornton Price one of the defense attorneys now tells how Farmer and Small became cannon fodder in this war to reclaim Arizona s prisons from rival gangs These gangs the Aryan Brotherhood the Mau Maus and the Mexican Mafia were suspected of committing more than a dozen murders over the previous two years motivating politicians to crack down after the violence could no longer be ignored or contained To reconstruct the case Price reviewed 16 000 pages of court records and conducted interviews with key participants to piece together an insider s account of the crime and the politics behind its investigation Prison murders should be easy to solve but investigators quickly learned that the convicts code of silence makes these cases often impossible to win in court Price focuses on the special problems posed by prison crime by getting inside the skins of men like murderer Terry Crazy Farmer and William Red Dog Howard one of the Florence Eleven and a founder of the Aryan Brotherhood He also presents the perspectives of state investigators and reveals how they calculated to pit black witnesses

against white killers until one black would break the code of silence and provoke feuding within the Brotherhood Murder Unpunished tells how society's most outrageous criminals ran the prison through gang violence as outside the walls Arizona struggled to outgrow its Wild West past Like few other books it reveals how prisons incubate predatory criminals and gangs and it exposes the unique difficulties of prosecuting prison crimes It is a gripping account that cuts to the heart of our penal system and a cautionary tale for citizens who prefer to keep prisons out of sight out of mind **Game, Set, Murder** Michael Sheridan, 2016-05-10 At the beginning of August 1907 an early morning train from Monte Carlo pulled into the Gare Saint Charles in Marseilles A trunk with a forwarding address was taken to the baggage section to await transportation Some hours later a station employee Louis Pons noticed blood dripping from the trunk The police were called and on opening it discovered a naked female corpse The head and legs were missing Thus began the investigation into a sensational case which drew the attention of newspapers the world over An army of reporters congregated in Marseilles and Monte Carlo to chronicle every twist and turn of the murder inquiry and subsequent trial From the notorious casino the trail led to Marseilles London Liverpool Canada and ultimately to County Cork and Waterford The couple arrested for the crime were Vere St Leger Goold an Irish aristocrat and his French wife Marie Giroudin He was a former Irish Open tennis champion and Wimbledon finalist whose great promise in life had disintegrated into a mire of drink drugs and gambling His wife was a con artist always one step ahead of the financial posse This fascinating tale involves the components of forensic science psychological profiling judicial investigation and global reporting of historical character with a very contemporary echo
