Murder Runs in the Family Anne George,2009-02-24

Mary Alice has spared nothing for her only daughter s wedding from seventy five yards of bridal train to gourmet food for over three hundred guests and enough glittering elegance to make Mary Alice think about finding herself a fourth rich husband to pay for it all Practical Patricia Anne has put away her aunt of the bride blue chiffon and settled back into domesticity when fun loving Mary Alice calls to say they have a post wedding date with a genealogist from the groom s side of the family Lunch is a fascinating lesson on the hazards of finding dirty linens in ancestral boudoirs that ends abruptly when their guest scurries off with the local judge leaving the sisters with their mouths open and finishing their luncheon companion s cheesecake when the police arrive Their mysterious guest has taken a plunge from the ninth floor of the courthouse building an apparent suicide But given the scandals a nosy genealogist might have uncovered the sisters are betting that some proud Southern family is making sure their shameful secrets stay buried along with anyone who tries to dig them up

Murder Makes Waves

Anne George,2009-02-24 Murder on a Bad Hair Day It s hard to believe practical petite ex schoolteacher Patricia Anne and amiable ample bodied and outrageous Mary Alice are sisters yet sibling rivalry has survived decades of good natured disagreement about everything from husbands to hair color No sooner do the Southern sisters discover a common interest in some local art when they re arguing the artistic merits of some well coiffured heads at a gallery opening A few hours later one of those pretty ladies ends up dead with not a hair out of place The other shows up on Patricia Anne s doorstep dazed disheveled and telling a wild tale of a narrow escape from some deadly cuts Now the sisters are once again combing for clues to catch a killer with a bizarre style in art and murder *Mystery Women, Volume Three (Revised)* Colleen

Barnett,2010-12-31 Like other fictional characters female sleuths may live in the past or the future They may represent current times with some level of reality or shape their settings to suit an agenda There are audiences for both realism and escapism in the mystery novel It is interesting however to compare the fictional world of the mystery sleuth with the world in which readers live Of course mystery readers do not share one simplistic world They live in urban suburban and rural areas as do the female heroines in the books they read They may choose a book because it has a familiar background or because it takes them to places they long to visit Readers may be rich or poor young or old conservative or liberal So are the heroines What incredible choices there are today in mystery series This three volume encyclopedia of women characters in the mystery novel is like a gigantic menu Like a menu the descriptions of the items that are provided are subjective Volume 3 of *Mystery Women* as currently updated adds an additional 42 sleuths to the 500 plus who were covered in the initial Volume 3 These are more recently discovered sleuths who were introduced during the period from January 1 1990 to December 31 1999 This more than doubles the number of sleuths introduced in the 1980s 298 of whom were covered in Volume 2 and easily exceeded the 347 series and some outstanding individuals described in Volume 1 which covered a 130 year period from 1860 1979 It also includes updates on those individuals covered in the first edition changes in status short reviews of books published since the first edition through December 31 2008 **This One and Magic Life** Anne C.

George,2009-02-24 In the deep South where love and hatred run deep and close dissension often summers just beneath the surface When a family gathers for a funeral as its old homestead above the waters of Mobile Bay it must carry out the last wish of the aunt and sister whom it has come to mourn It is a wish that will unearth a terrible secret one that will either tear her siblings and their offspring apart or allow them to accept buried memories wounds and love In This and Magic Life Anne Carroll George has created as brilliant portrait of a Southern family in all its glory captured in a moment of searing intensity and lyric truth Rich with wisdom and deep understanding this compelling saga the twentieth century and tells a story that is truly timeless

Murder Shoots the Bull Anne George,2009-02-24 Patricia Anne would swear that either she or her sister Mary Alice were switched at birth except they were both born at home Flashy flirtatious Mary Alice is one foot taller twice the body weight of Patricia Anne and three times as likely to do something completely off the wall But now Mary Alice s impulsive behavior has land them both in the Birmingham jail It all begins with a call from their good friend Mitzi Phizer who s starting an investment club kind of a Beardstown Ladies group Patricia Anne is willing to make a small conservative investment in a thriving chain of HMOs Mary Alice is hot to trot to put her money on Viagra But before the club idea gets off the ground the sisters spot Mitzi s supposedly faithful husband in a chummy little huddle with a redhead and the next thing they know Arthur is accused of murdering the mystery woman Nothing about the whole sordid story fits the kind gently Arthur and Patricia Anne is doing her best to console her good friends But when their house catches on fire and Arthur is shot in a place that won t allow him to even sit down at his own murder trial the sisters know they have to stand up for the poor fellow And that means checking out everyone from low down cads to highbrow bank presidents to find a no good gun toting arsonist who believes big money is to kill for

Mary Alice thinks it makes perfect sense to buy the Skoot n Boot bar since that's where the many times divorced Sister and her boyfriend du jour like to hang out anyway. Sensible retired schoolteacher Patricia Anne is inclined to disagree especially when they find a strangled and stabbed dead body dangling in the pub and wishing well. The sheriff has some questions for Mouse and her sister Sister who were the last people besides the murderer of course to see the ill fated victim alive. And they had better come up with some answers soon because a killer with unfinished business has begun sending them some mighty threatening messages. Elvis Religion Gregory L. Reece, 2006-05-26 Investigates the rise of the King of Rock n Roll to god like status.
