Davis,2008-11-15 Being powerless to direct the current I can only wait to see whither it runs wrote Jefferson Davis to his wife  
Varina on October 11 1865 five months after the victorious United States Army took him prisoner Indeed in the tumultuous  
years immediately after the Civil War Davis found himself more acted upon than active a dramatic change from his previous  
twenty years of public service to the United States as a major political figure and then to the Confederacy as its president  
and commander in chief Volume 12 of The Papers of Jefferson Davis follows the former president of the Confederacy as he  
and his family fight to find their place in the world after the Civil War A federal prisoner incarcerated in a living tomb at Fort  
Monroe while the government decided whether where and by whom he should be tried for treason Davis was initially allowed  
to correspond only with his wife and counsel Released from prison after two hard years he was not free from legal  
proceedings until 1869 Stateless homeless and without means to support himself and his young family Davis lived in Canada  
and then Europe searching for a new career in a congenial atmosphere Finally in November 1869 he settled in Memphis as  
president of a life insurance company and for the first time in four years had the means to build a new life Throughout this  
difficult period Varina Howell Davis demonstrated strength and courage especially when her husband was in prison She  
fought tirelessly for his release and to ensure their children s education and safety Their letters clearly demonstrate the  
Davises love and their dependence on each other They both worried over the fate of the South and of family members and  
friends who had suffered during the war Though disfranchised Davis remained careful but not totally silent on the subject of  
politics Even while in prison he wrote without regret of his decision to follow Mississippi out of the Union and of his  
unswerving belief in the constitutionality of state rights and secession Likewise he praised all who supported the  
Confederacy with their blood and who like himself had lost everything      Hardwicke's Science-gossip Mordecai Cubitt
