**Multiculturalism in New Orleans** Jeremy DuQuesnay Adams,2001-10      New Orleans Louise McKinney,2006 With its antebellum mansions above ground cemeteries and ghostly moss bearded oaks New Orleans is certainly the most un American of american cities creating its own laid back Big Easy attitude from the customs of the people who founded it French and Spanish colonists gens de couleur libres NOthern adventurers riverboat men pirates and Cajuns From this eclectic mix of influences has evolved a distinctive Creole culture expressed in language architecture and cuisine Back cover

**Desire and Disaster in New Orleans** Lynnell L. Thomas,2014-08-25 Most of the narratives packaged for New Orleans s many tourists cultivate a desire for black culture jazz cuisine dance while simultaneously targeting black people and their communities as sources and sites of political social and natural disaster In this timely book the Americanist and New Orleans native Lynnell L Thomas delves into the relationship between tourism cultural production and racial politics She carefully interprets the racial narratives embedded in tourism websites travel guides business periodicals and newspapers the thoughts of tour guides and owners and the stories told on bus and walking tours as they were conducted both before and after Katrina She describes how with varying degrees of success African American tour guides tour owners and tourism industry officials have used their own black heritage tours and tourism focused businesses to challenge exclusionary tourist representations Taking readers from the Lower Ninth Ward to the White House Thomas highlights the ways that popular culture and public policy converge to create a mythology of racial harmony that masks a long history of racial inequality and structural inequity      *Seeking Higher Ground* M. Marable,2016-01-23 Hurricane Katrina of August September 2005 one of

the most destructive natural disasters in U S history dramatically illustrated the continuing racial and class inequalities of America In this powerful reader *Seeking Higher Ground* prominent scholars and writers examine the racial impact of the disaster and the failure of governmental corporate and private agencies to respond to the plight of the New Orleans black community Contributing authors include Julianne Malveaux Melissa Harris Lacewell Ronald Walters Chester Hartman Gregory D Squires Mindy Thompson Fullilove Alan Stein and Gene Preuss This reader is the second volume of the Souls Critical Black Studies Series edited by Manning Marable and produced by the institute for Research in African American Studies of Columbia University      **Feeding New Orleans** Jeanne K. Firth,2023-11-15 After Hurricane Katrina in 2005 many high profile chefs in New Orleans pledged to help their city rebound from the flooding Several formed their own charitable organizations including the John Besh Foundation to help revitalize the region and its restaurant scene A year and a half after the disaster when the total number of open restaurants eclipsed the pre Katrina count it was embraced as a sign that the city itself had survived and these chefs arguably became the de facto heroes of the city s recovery Meanwhile food justice organizations tried to tap into the city s legendary food culture to fundraise marketing high end dining events that centered these celebrity chefs Jeanne K Firth documents the growth of celebrity humanitarianism viewing the phenomenon through

the lens of feminist ethnography to understand how elite philanthropy is raced classed and gendered Firth finds that cultures of sexism in the restaurant industry also infuse chef led philanthropic initiatives As she examines this particular flavor of elite celebrity based philanthropy Firth illuminates the troubled relationships between consumerism food justice movements and public private partnerships in development and humanitarian aid

Before Official Multiculturalism Franca Iacovetta, 2022-11-01 For almost two decades before Canada officially adopted multiculturalism in 1971 a large network of women and their allies in Toronto were promoting pluralism as a city and nation building project Before Official Multiculturalism assesses women as liberal pluralist advocates and activists critically examining the key roles they played as community organizers frontline social workers and promoters of ethnic festivals The book explores women s community based activism in support of a liberal pluralist vision of multiculturalism through an analysis of the International Institute of Metropolitan Toronto a postwar agency that sought to integrate newcomers into the mainstream and promote cultural diversity Drawing on the rich records of the Institute as well as the massive International Institutes collection in Minnesota the book situates Toronto within its Canadian and North American contexts and addresses the flawed mandate to integrate immigrants and refugees into an increasingly diverse city Before Official Multiculturalism engages with national and international debates to provide a critical analysis of women s pluralism in Canada

*Art and Identity at the Water's Edge* Tricia Cusack, 2017-07-05 The water s edge whether shore or riverbank is a marginal territory that becomes invested with layers of meaning The essays in this collection present intriguing perspectives on how the water s edge has been imagined and represented in different places at various times and how this process contributed to the formation of social identities Art and Identity at the Water s Edge focuses upon national coastlines and maritime heritage on rivers and seashore as regions of liminality and sites of conflicting identities and on the edge as a tourist setting Such themes are related to diverse forms of art including painting architecture maps photography and film Topics range from the South African seaside resort of Durban to the French Riviera The essays explore successive ideological mappings of the Jordan River and how Czech cubist architecture and painting shaped a new nationalist reading of the Vltava riverbanks They examine post Hurricane Katrina New Orleans as a filmic spectacle that questions assumptions about American identity and the coast depicted as a site of patriotism in nineteenth century British painting The collection demonstrates how waterside structures such as maritime museums and lighthouses and visual images of the water s edge have contributed to the construction of cultural and national identities

**Speaking of Diversity** Philip Gleason, 2019-12-01 Originally published in 1992 In this collection of essays Philip Gleason explores the different linguistic tools that American scholars have used to write about ethnicity in the United States and analyzes how various vocabularies have played out in the political sphere In doing this he reveals tensions between terms used by academic groups and those preferred by the people whom the academics discuss Gleason unpacks words and phrases such as melting pot and plurality used to visualize the multitude of ethnicities in the United States And he

examines debates over concepts such as assimilation national character oppressed group and people of color Gleason advocates for greater clarity of these concepts when discussed in America s national political arena Gleason s essays are grouped into three parts Part 1 focuses on linguistic analyses of specific terms Part 2 examines the effect of World War II on national identity and American thought about diversity and intergroup relations Part 3 discusses discourse on the diversity of religions This collection of eleven essays sharpens our historical understanding of the evolution of language used to define diversity in twentieth century America

**Twenty Years of Multiculturalism** Stella M. Hryniuk,1992 How does one measure ethnicity What are the costs and benefits of multiculturalism Where is the multicultural literature theatre and folklore of Canada What can the medical and other caring professions do to respond to the multicultural clients they serve These are some of the broad issues tackled by the eighteen writers whose work appears in this volume

**MultiCultural Review** ,2007

**Selling EthniCity** Olaf Kaltmeier,2016-04-01 Bringing together a multidisciplinary team of scholars this book explores the importance of ethnicity and cultural economy in the post Fordist city in the Americas It argues that cultural political and economic elites make use of cultural and ethnic elements in city planning and architecture in order to construct a unique image of a particular city and demonstrates how the use of ethnicized cultural production such as urban branding based on local identities by the economic elite raises issues of considerable concern in terms of local identities as it deploys a practical logic of capital exchange that can overcome forms of cultural resistance and strengthen the hegemonic colonization of everyday life At the same time it shows how ethnic communities are able to use ethnic labelling of cultural production ethnic economy or ethno tourism facilities in order to change living conditions and to empower its members in ways previously impossible Of wide ranging interest across academic disciplines this book will be a useful contribution to Inter American studies
