Multiple Maniacs John Waters, 2025-10-21 A very John Waters traveling show replete with freaks robbery murder sex blasphemy and savage shellfish a lurid surreal celebration of camp and trash The Cavalcade of Perversion is a traveling show run by Lady Divine and a crew of her fellow degenerates They have to drag suburban housewives into each vile tasteless performance only to rob them at gunpoint at the end of each show When Divine gets bored of the routine and graduates to murdering the attendees one day it sets her off on a rampage hunting down her cheating lover Mr David and unleashing a chain of frenzy a truly blasphemous sex act and a surreal violation by a giant lobster Multiple Maniacs is John Waters paean to the glories of trash As Lady Divine chants as she marches proudly into downtown Baltimore at the end of the movie I m a maniac A maniac that cannot be cured O Divine I am Di vine *John Waters FAQ* Dale Sherman, 2019-04-15 For more than 50 years John Waters has been staging a coup against the good taste of the American public From the ultimate gross out in *Pink Flamingos* to the amazing general audience rating of his biggest hit *Hairspray* Waters has been subverting viewers expectations with comedies that stretch past the boundaries of even today s jaded audiences A provocateur of bad taste in a glorious way Waters started out as an outsider with a camera and a small circle of fellow delinquents In tearing down icons of the silver screen Waters would create his own that are used still by others in movies and television And that s only part of the tale John Waters FAQ looks at how a nice boy from the right side of the tracks would end up becoming a demon of society and the influences that drove his ambition in moviemaking Also featured are biographical information of the Dreamlanders the actors and crew members who would join Waters on his adventures in film land over the years including Waters s best remembered find Divine Beyond chapters dedicated to the making of each of his films from Hag in a Black Leather Jacket to his most recent *A Dirty Shame* there are those covering his career as a writer and artist Also reviewed are his acting career in other people s television shows and movies over the years Water s interest in music and projects that never were to be John Waters FAQ covers it all in the career of a man who started out with a dream of becoming an underground filmmaker and became so much more *Adventures of Perception* Scott MacDonald, 2009 These essays are among Scott MacDonald s best An added bonus among all this new work is one updated vintage essay from 1981 still the very best essay ever written about the uses of pornography All the essays are intellectually personally and viscerally vibrant coupling substantive recent essays with his trademark probing interviews with key filmmakers Each interview is beautifully paired with the essays Scott MacDonald is a monument to thoughtful knowledge of and pleasure in avant garde cinema Linda Williams author of *Screening Sex* More than any other critic Scott MacDonald truly explores contemporary experimental cinema seeking out new works and new artists reconsidering classics and broadening out our sense of film history from the images on screen to the social political and economic contexts and debates surrounding them And yet if MacDonald surveys a complex landscapes his books never carry the claustrophobia of the archive or academia This criticism answers the call of the open road with
