Multiples Intentions:

Multiple Commitments in the Workplace Aaron Cohen,2003-10-17 The growing interest in multiple commitments among researchers and practitioners is evinced by the greater attention in the literature to the broader concept of work commitment This includes specific objects of commitment such as organization work group occupation the union and one s job In the last several years a sizable body of research has accumulated on the multidimensional approach to commitment This knowledge needs to be marshaled its strengths highlighted and its importance as well as some of its weaknesses made known with the aim of guiding future research on commitment based on a multidimensional approach This book s purpose is to summarize this knowledge as well as to suggest ideas and directions for future research Most of the book addresses what seems to be the important aspects of commitment by a multidimensional approach the differences among these forms the definition and boundaries of commitment foci as part of a multidimensional approach their interrelationships and their effect on outcomes mainly work outcomes Two chapters concern aspects rarely examined the relationship of commitment foci to aspects of nonwork domains and cross cultural aspects of commitment foci that should be important topics for future research Addressing innovative focuses of multiple commitments at work this book suggests a provocative and innovative approach on how to conceptualize and understand multiple commitments in the workplace provides a thorough and updated review of the existing research on multiple commitments analyzes the relationships among commitment forms and how they might affect behavior at work and covers topics rarely covered in multiple commitment research and includes all common scales of commitment forms that can assist researchers and practitioners in measuring commitment forms

Managing Multiple

Organizational Goals in Turbulent Environments Feifei Yang,Mirjam Goudsmit,George Shinkle,2022-08-31 This book examines the management of multiple goals in organizations especially in today s increasingly turbulent business environment In this book authors develop a novel concept of goal polychronicity wherein organizations may attend to multiple goals simultaneously rather than mono chronically through sequential attention This book further investigates the impact of internal organizational control systems and external environmental turbulence on multiple goals management

Empirical evidence is drawn from in depth interviews of top executives and large scale survey of top executives from four countries US Australia China and Israel The book enriches the understanding of multiple goals and provides evidence based recommendations to researchers and practitioners in managing multiple goals **Learning in the Synergy of Multiple Disciplines** Ulrike Cress,Vania Dimitrova,Marcus Specht,2009-09-15 This book constitutes the refereed proceedings of the 4th European Conference on Technology Enhanced Learning EC TEL 2009 held in Nice France in September October 2009 The 35 revised full papers 17 short papers and 35 posters presented were carefully reviewed and selected from 136 paper submissions and 22 poster submissions The papers are organized in topical sections on adaptation and personalization interoperability semantic Web Web 2 0 data mining and social networks collaboration and social knowledge construction learning communities and communities of practice learning contexts problem and project based learning inquiry learning learning design motivation engagement learning games and human factors and evaluation [Canadian Journal of Counselling](#) ,1988 **COVID-19 and Behavioral Sciences** Liz Steed,Kebede Beyene,Rebecca Anne Pedruzzi,Tracy Jackson,Amy Hai Yan Chan,2022-02-21
