*Milking Time* Rachael Treasure, 2024-05-01 The gorgeously funny, uplifting and entertaining new novel from Rachael Treasure, author of iconic bestselling and much loved stories of Australian rural life including *Jillaroo* and *The Farmer's Wife*. Longlisted for the Premier's Prize for Fiction Tasmanian Literary Awards 2025. Connie Mulligan, daughter of a fourth generation Tasmanian dairy farmer, feels like she doesn't belong anywhere. She's got big dreams and big ideas, but she made a mess of her university degree and has been sent home in disgrace. The man who was responsible for her failure won't get out of her nightmares, her father won't listen to any of her ideas on how to make environmentally positive changes to the way the dairy farm is being run, her mum thinks she should go on anti-depressants and she keeps having what her psychologist calls episodes. Connie is stifled, frustrated, out of sorts and out of step with her family, her town, her community and her time. It's not until an opportunity arises to travel to Ireland that a chance encounter with a wise old woman and a knock on the head sees Connie regain her confidence. And it is in Ireland that Connie realises that everything she wants back home, family, friends, community and a healthy, healing land, is within her grasp. She's just got to reach out for what she wants and make it happen. The story of how Connie Mulligan uses all her wit, willpower and a community of strong women to seize the day, save her family farm and transform herself, her life and her small town, will have you standing up and cheering. Earthy, funny, truthful and wise, this is Rachael Treasure at her emotional, heartfelt and feelgood best. *Milking Time* puts social rebellion ahead of romance without being preachy or losing the charm of the genre and paints a vivid portrait of the challenges and triumphs of small town farming community. Filled with authentic, gutsy characters, *Milking Time* is a brilliant return to writing for Treasure. The Australian Rachael Treasure is back and better than ever.
