Murder Honey:

Murder, Honey Vinnie Hansen, 1999-12-12 **The Honey Jam Murder** Meg Benjamin, 2025 It's summertime but the living's not easy for Roxy Constantine. There's a beehive thief loose in Shavano County and her beloved Nate Robicheaux has hired her high school crush as his assistant. Looks like the perfect time to create a honey-sweetened jam for the summer months. But then the honey thefts turn serious and a woman is murdered at the biggest barbecue of the year. Roxy thinks she sees a connection between a mysterious honey company and the Shavano crime wave but her quest for information leads to a terrifying encounter that sends her to the hospital. Now she needs answers and her fugitive long-lost love may be the only one who has them.

Death by a Thousand Sips Gretchen Rue, 2023-09-05 Phoebe Winchester is back on the case in Raven Creek when a body is discovered at an estate sale in Gretchen Rue's second book in the *Witches Brew* mystery series perfect for fans of Laura Childs and Cleo Coyle. Ever since she moved to Raven Creek, Washington, Phoebe Winchester knew she would have to grow accustomed to having a lot on her plate. She's beginning to make the Victorian manor she inherited from her dear and adventurous Aunt Eudora feel more like home, successfully running the bookstore and tea shop, The Earl's Study, and learning to harness her recently discovered magical powers. But when she discovers a dead body at an estate sale, even Phoebe wonders if this is simply too much. Rumors of Phoebe's involvement force her to take action; she needs to find the killer and clear her own name once again. She enlists Rich Lofting, the handsome private detective and her childhood friend, in her investigation, all while she sorts out her unresolved feelings for him. Is there something more sinister lurking in the shadows of this small, tight-knit town? And does Phoebe really want to find out? With a dash of magic, a pinch of sleuthing skills, and a spoonful of friendly assistance, Phoebe needs to uncover the killer to keep Raven Creek safe once again. But if she doesn't, will she find herself in even more hot water?

The Billionaire Murders Kevin Donovan, 2019-10-29 NATIONAL BESTSELLER NOW A FOUR-PART CRAVE ORIGINAL DOCUSERIES A top journalist crosses the yellow tape to investigate a shocking high-society crime. Billionaires, philanthropists, socialites, victims: Barry and Honey Sherman appeared to lead charmed lives. But the world was shocked in late 2017 when their bodies were found in a bizarre tableau in their elegant Toronto home. First described as murder-suicide, belts looped around their necks, they were found seated beside their basement swimming pool. Police later ruled it a staged, targeted double murder. Nothing about the case made sense to friends of the founder of one of the world's largest generic pharmaceutical firms and his wife, a powerhouse in Canada's charity world. Together, their wealth has been estimated at well over 4.7 billion. There was another side to the story. A strategic genius who built a large generic drug company, Apotex Inc., Barry Sherman was a self-described workaholic, renowned risk-taker and disruptor during his fifty-year career. Regarded as a generous friend by many, Sherman was also feared by others. He was criticized for stifling academic freedom and using the courts to win at all costs. Upset with building issues at his mansion, he sued and recouped millions from tradespeople. At the time of his death, Sherman had just won a decades-old legal case.

involving four cousins who wanted 20 percent of his fortune Toronto Star investigative journalist Kevin Donovan chronicles the unsettling story from the beginning interviewing family members friends and colleagues and sheds new light on the Shermans lives and the disturbing double murder Deeply researched and authoritative *The Billionaire Murders* is a compulsively readable tale of a strange and perplexing crime
