very man who had taken everything from her the man who had made her a princess Together they discovered that she was the first woman in three centuries to possess the magic of the pipers and therefore the only person capable of breaking the ancient curse But breaking the curse means unraveling the very past the curse is intent on keeping secret The answer lies buried in the crypts of the Black Druids men who consider Larkin a traitor they ll kill on sight Embedded in the intrigues of their court she unearths a dark conspiracy destined to hasten the destructive power of the curse a conspiracy aimed at destroying her piper prince

McBrierty,2005 *Murder by Gaslight* Leonard Piper,1991 In this book the author has produced detailed accounts of ten shocking murder cases which will chill modern readers just as they did the Victorians and Edwardians Based on painstaking research it reconstructs each murder in minute detail The police investigation of the crime is followed step by step and the resulting trials are also thoroughly covered

Gangsters Or Guerrillas? Patrick Magee,2001 While serving a 50 year prison sentence after being charged with involvement in an IRA bombing Patrick Magee dedicated himself to the study of fiction dealing with the conflict in North Ireland Out of those years comes this fascinating work in which Magee critically assesses various literary representations of republicans and their struggle as an ideological and political tool of British propaganda Magee invokes the necessity of reading these texts critically as a reading that accepts these novels at face value continues to hinder resolution of the division of Ireland
