Murder by the Book Amie Schaumberg, 2025-08-19 Two dead students A coded reference to Shakespeare And the promise of darker things to come Near a small college campus a student is found strangled in an abandoned barn on the outskirts of town She's been posed to look like a painting of Ophelia from Shakespeare's Hamlet the scene taunting the police with a message they don't understand Detective Ian Carter is known as a straitlaced cop but seeing the girl's body leaves him shaken and uncertain of where to turn until a chance meeting with a charmingly awkward literature professor ends with her accidentally seeing and solving a clue left by the killer Professor Emma Reilly knows that the books she loves might hold the key to unraveling the killer's crimes now that a second murder has been discovered with the victim posed as the Lady of Shalott this time However when the murderer strikes too close to home and kills a third student one from Emma's classes she realizes that the safety of her insular life might be nothing more than an illusion She must find the strength to confront a killer who is turning the stories she loves into lurid scenes of death Amie Schaumberg has crafted a smart thrilling and utterly compelling mystery that will have you trying to figure out whodunit right up until the end
