good sign when the first book in a series grabs my attention in the first paragraph and never lets go. But then I have a weakness for well-written English cozies. Yes, that the two main characters who seemingly had nothing in common would become fast friends was predictable, but it is to Ms Vansandt's credit that their individual strengths and weaknesses were anything but. Looking forward to the next installments. Joanna M. amazon.com. This was fun reading with good characters and plenty of twists in the plot. The personalities of the two main characters make a good contrast. I like the way they play off each other. Good suspense to the end. Thought I had the villain all figured out, but in the end I was fooled completely. Good read for a first-time author. Looking forward to what else she writes next. Surley R. amazon.com. About the Mystery. It's a beautiful summer and the busy village of Marsden Lacey, England, has murder on its mind. Someone just whacked everyone's least favorite villager, Sir Carstons, on his villainous head. That's when American expats, paralegal Martha Littlewood and book expert Helen Ryes, find themselves knee-deep in Yorkshire murder. Spirited empty nesters throw their newbie detective hats into the ring, only to discover that a murder mystery can quickly turn from adventurous lark into personal peril. With a dash of Southern charm and humor and the help of a few quirky villagers, the girls just might survive. They'll also have to figure out how to handle the local catch of the day, Piers Cousins, and the cantankerous Chief of Police, DCI Johns. Will they or won't they? If they do, they might solve a murder or two along with a hundred-year-old mystery involving a Brontë sister and a famous piece of English history. Happy reading.
