and journalist Daniel Goleman author of the 1 international bestseller Emotional Intelligence offers a groundbreaking look at today's scarcest resource and the secret to high performance and fulfillment: attention. Combining cutting edge research with practical findings, *Focus* delves into the science of attention in all its varieties, presenting a long overdue discussion of this little noticed and under rated mental asset. In an era of unstoppable distractions, Goleman persuasively argues that now more than ever we must learn to sharpen focus if we are to survive in a complex world. Goleman boils down attention research into a threesome: inner, other, and outer focus. Drawing on rich case studies from fields as diverse as competitive sports, education, the arts, and business, he shows why high achievers need all three kinds of focus and explains how those who rely on "Smart Practices" (mindfulness, meditation, focused preparation and recovery, positive emotions and connections, and mental prosthetics) that help them improve habits, add new skills, and sustain greatness excel while others do not. *Entrepreneur's Launchpad* Dr. Poornima Charantimath, 2025-01-18 *Entrepreneur's Launchpad: Basics to Brilliance* is a dynamic guide for aspiring entrepreneurs, professionals, leaders, and anyone seeking to embrace an entrepreneurial mindset to drive socioeconomic and environmental transformation. Through activity-based and experiential learning, this book takes readers from idea to startup success, fostering Emotional Intelligence, Creativity, and Innovation along the way. Packed with practical strategies, real-world case studies, and actionable tools, it covers everything from crafting a business plan to scaling a venture. Whether you're launching a startup or enhancing an existing career, *Entrepreneur's Launchpad* equips you to turn ideas into impactful solutions and thrive in today's fast-evolving world. **Applied And Community Psychology (2 Vol. Set)** Surya Kumar Srivastava, 2005 [Psychologized Language in Education](#) Zvi Bekerman, Michalinos Zembylas, 2017-10-02 This book explores how psychologized language has come to dominate education and schooling. Taking a critical lens to some major constructs in education (e.g., the mind, the self, identity, emotion, emotional intelligence, motivation, culture, language, and meaning) and their grounding in psychologized discourses, the authors suggest possible ways to overcome these psychologized discourses and remedy their consequences. The book invites readers to move away from static, reified conceptualizations to a more active social understanding of what education is all about. **Advanced Topics in Information Resources Management** Mehdi Khosrow-Pour, 2005-01-01 *Advanced Topics in Information Resources Management* is a series of books which feature the most current research findings in all aspects of information resources management. What Makes a Leader? (Harvard Business Review Classics) Daniel Goleman, 2017-06-06 When asked to define the ideal leader many would emphasize traits such as intelligence toughness determination and vision the qualities traditionally associated with leadership Often left off the list are softer more personal qualities but they are also essential Although a certain degree of

analytical and technical skill is a minimum requirement for success studies indicate that emotional intelligence may be the key attribute that distinguishes outstanding performers from those who are merely adequate Psychologist and author Daniel Goleman first brought the term emotional intelligence to a wide audience with his 1995 book of the same name and Goleman first applied the concept to business with a 1998 classic Harvard Business Review article In his research at nearly 200 large global companies Goleman found that truly effective leaders are distinguished by a high degree of emotional intelligence Without it a person can have first class training an incisive mind and an endless supply of good ideas but he or she still won't be a great leader The chief components of emotional intelligence self awareness self regulation motivation empathy and social skill can sound unbusinesslike but Goleman found direct ties between emotional intelligence and measurable business results The Harvard Business Review Classics series offers you the opportunity to make seminal Harvard Business Review articles a part of your permanent management library Each highly readable volume contains a groundbreaking idea that continues to shape best practices and inspire countless managers around the world and will have a direct impact on you today and for years to come
