

A top-down view of a gardening workspace. The background is a dark, textured surface, possibly a table or ground. Scattered around are various potted plants, including green leafy herbs like basil and mint, and some with small yellow flowers. There are also some dried, brown plants. Gardening tools are visible: a trowel with a wooden handle and a metal head, a fork, and a small shovel. A small pile of dark soil is in the center. The overall scene is well-lit, with the plants and tools standing out against the dark background.
