[Me'a Kai](#) Robert Oliver, Tracy Berno, Shiri Ram, 2010 Winner of the 2011 Best Cookbook at the Gourmand Cookbook Awards. The cuisines of the South Pacific island nations are noted for their sensational use of coconut cream, fresh fruit, and the most delicate fish. Away from the big resort hotels, skilled local cooks make the most delicious meals whose range would surprise most tourists. Two years ago, New Zealand born chef Robert Oliver, who has had a stellar career in the United States restaurant industry, went back to Fiji where he grew up to rediscover the art of Pacific cooking. He travelled to Tonga, Tahiti, Samoa, Fiji, Vanuatu, and the Cook Islands to track down the most skilled local cooks. This outstanding landmark volume of a book brings together a treasury of South Pacific cooking, arranged country by country with 90 plus recipes and photos that capture the essence of the Pacific. And there's much more than just recipes; it's a culinary journey. Along the way, Robert pauses to tell fascinating stories from his encounters with both local cooks and food producers. Flipping through its pages is like going on holiday. [Food Culture in the Pacific Islands](#) Roger Haden, 2009-08-10 The food culture of the Pacific Islands has been determined by isolation from the rest of the world. Original immigrants from Asia brought their foods, animals, and culinary skills with them; then, for several thousand years, they were largely uninfluenced by outsiders. The tropical climate of much of the region, unique island geology, and environmental factors also played a role in the evolution of islander cuisine, which is based on unique ingredients. The staples of breadfruit, yams, taro, coconut, sweet potato, and cassava are incorporated into a cuisine that uses cooking and preservation techniques unique to Polynesia, Micronesia, and Melanesia. Today, food culture in the Pacific is largely one of extremes. Although traditional foods and cookery survive and are highly valued, Westernization has meant that the overall diet of islanders has been negatively transformed and that islands are net importers of unhealthy foods. Ironically, the tourism industry has re-engaged islander people in food production and boosted their sense of identity. Students, food mavens, and travellers will find this to be a stellar introduction to the current culture of the Pacific Islands with discussion of Hawaii, Australia, and New Zealand included. Chapter 1, Historical Overview, offers a

fascinating chronicle of the evolution of a food culture of extremes of isolation climate environment and Western influences Chapter 2 Major Foods and Ingredients introduces a host of traditional tropical manna as well as imported products The Cooking chapter discusses the truly unique cooking styles of the islands such as steam baking in the ground in an umu oven Chapter 4 Typical Meals largely explores the emphasis on the ubiquitous processed foods A Regional Specialties chapter reveals both pan regional dishes and the noted local dishes Chapter 6 s Eating Out discussion shows the new acceptance of the individualist recreational ritual of eating away from the community The typical life cycle food rituals are covered in the Special Occasions chapter A final chapter on Diet and Health highlights the increase in Western diseases arising from diet and lifestyle changes and discusses timely food security issues as well Recipes are interspersed throughout and a timeline glossary selected bibliography and photos round out the coverage *Tradewinds & Coconuts*,2000 When author Jennifer Brennan lived in Guam she saw and sampled the bounty of delights that can only be found in the lush Pacific Islands exotic meats unusual seafoods and extraordinary fresh fruits and vegetables all brought together with flavors and spices in delicious new combinations Tradewinds and Coconuts presents the cuisine and culture of the Pacific Islands with recipes personal anecdotes descriptions of native ingredients and original artwork Tradewinds and Coconuts is a cookbook a reminiscence and a colorful glimpse of island living Inside the home cook will learn about Oceanic appetizer from hors d oeuvres to stewy soups to luscious tropical salads Foods from in and around the sea tantalizing recipes made from mollusks crustaceans amphibious reptiles and Pacific Ocean fish Mouth watering meats from the familiar to the exotic Authentic preparation cooking in an earth pit oven *Tradewinds And Coconuts* Jennifer Brennan,2000-01-01 The family of award winning food author Jennifer Brennan was part of the British Raj in India for generations Raised in the Punjab Mysore she remembers dining in the grand style of the Raj She has lived in Guam Japan traveled widely throughout the Pacific Islands of Oceania Here she celebrates the bounties of tropical island living With colorful glimpses into the Pacific Island cultures you'll be treated to 100s of native recipes featuring condiments hors d oeuvres stews tropical salads seafood desserts even earth pit oven meals An eclectic Culinary index contains brief descriptions of unfamiliar foods a section on cooking methods Includes evocative original art by Brennan This is the definitive volume on Pacific Island cooking
