## **Pack Serenity Falls:**

**The Pack** James A. Moore, 2005 Something is coming to Serenity Falls something that has already touched the town with its demonic power A young girl is horribly tortured a boy becomes a conduit to hell the dogs of the town turn feral One man a stranger to the town but not to the powers of darkness has been enlisted to stop the encroaching evil And soon he will discover that the true horror lies not with those who walk the earth but with those who lie beneath it Second book of Serenity Falls trilogy

**Under the Overtree** James A. Moore, 2024-12-01 Featuring a new introduction by Bram Stoker award winning author Christopher Golden and cover art by Dan Brereton Can you hear it The whispered laughter carried by the wind Can you see Them The faint shadowy forms that move through the woods near Lake Overtree The ones whose very presence is silencing the wild life Can you feel the changes in the air The changes taking place in one young man whose entire world is shifting changing to accommodate his desires The girl of his dreams is his for the taking the kids who bullied him are going away one by one and even his worst enemies are seeing him in a different light His body once soft and flabby has grown strong and lean something he never expected would happen His stepfather Joe has finally stopped looking at him like garbage and started treating him like a real son Every hope every wish that Mark Howell has known in his lonely life is coming true Can you hear it The mournful wails of families torn apart by the loss of their loved ones The faint screams of the damned of those foolish enough to cross his path Listen carefully It s happening Mark s world is changing regardless of the cost It s happening

**Smile No More** James A. Moore, 2025-06-10 There s nothing quite like a circus The Carnivale de Fantastique is an acrobatic and musical phenomenon a show based on the legends of a circus that vanished mysteriously half a century ago Every season the numbers grow the merchandising expands and the ticket sales explode This year things are a little different This year the star of the show was murdered and shipped to the next city in a cardboard box This year the acts are running into all sorts of troubles and even the police and the F B I are trying to figure out what s causing all the troubles Once upon a time there was a kid named Cecil He ran away joined the circus and then got murdered for his troubles Fifty years later he clawed his way out of Hell found the people who killed him and his circus and had his bloody revenge Since then he s been trying to find something to do with his time and now he s heard about the Carnivale de Fantastique a show based on the disappearance of the circus he traveled with Of course it s not a traditional circus This one has acrobats and dancers and actors and a story It s only missing one thing and it s just not funny When in doubt send in the clowns

**One Bad Week** James A. Moore, 2025-06-07 Jonathan Crowley is having a bad time of it He s too busy for anyone s good dealing with calls from beyond the grave demons that refuse to stay dead the very creature that murdered his wife and children and a few spirits that have unfinished business with the Hunter The past comes back to haunt the man who gives monsters their nightmares in a series of encounters that deal with Crowley s past losses and even his occasional victories but any way you look at it Jonathan Crowley is having One Bad Week Now the question is who will survive to talk about it later

*Dark*

*Carnival* James A. Moore, 2025-03-20 It began with a centuries old curse writ in blood It gave way to the hellish fury of the pack Now as night descends on Serenity Falls the fun really begins A widow is tortured to death by the husband she killed A collection of curious dolls has been discovered with a terrifying secret carved in each And then with a whistle that screams like Hell the circus arrives in town to raise a ruckus But the Carnival of the Fantastic is raising more than that It's raising the dead No one can save Serenity Falls now except the stranger known as the Hunter Only he can protect the innocent from the damned Because only he can tell them apart **The Tourist's Guide to Haunted Wellman** James A. Moore, Charles R.

Rutledge, 2025-06-24 Like most small towns Wellman Georgia has its share of ghost stories A group of amateur paranormal investigators plan to write a book about these macabre legends The Tourist's Guide to Haunted Wellman But after the ghost hunters perform a late night ritual in a graveyard the old stories seem to be coming true Something has been awakened Something angry Something hungry Occult specialists Jonathan Crowley and Carter Decamp begin separate investigations of the occurrences in Wellman but soon their paths will converge bringing them into conflict with malignant and dangerous entities And it may be more than even their combined knowledge and skills can overcome James A Moore and Charles R Rutledge return to shadow haunted Wellman the setting of their Griffin and Price novels for one last tale of suspense and dark horror **Boomtown** James A. Moore, 2025-06-07 There is no peace in death Some people know that better than

others In Carson's Point Colorado the dead do not rest but rise every night and try to kill whatever crosses their path Those dead are merely the symptom of something far worse something ancient and evil that does not care for the Europeans taking the lands or for those who lived there before The living do not matter the dead are tools the possible spawn of the pale white thing lurking in the woods are all that is important to that dreadful force It will kill anything that gets in its path and make living and the deceased suffer for their transgressions Carson's Point is on a course that leads straight to Hell unless something comes along that can fight back against the unnatural servants of the thing that wants the boomtown destroyed The wizard Albert Miles is in town for reasons all his own escaping the latest terrors he's spread across the land He might well be able to save the town but if he does he'll exact a terrible price The new sheriff has his work cut out for him There are savages waiting outside the town dead things crawling from the grave bad men set on taking what they want and fools aplenty trying to survive the disasters coming their way until they can once again go hunting for the dreams they hope will change their lives Jonathan Crowley could very well be the salvation that the town needs but he has no desire to help anyone living there and has settled himself on one mission and one mission only revenge against the soldiers that left him for dead The Hunter has quit and no longer wants anything to do with justice for humans or stopping the evil things that feast on humanity's sorrows Evil grows throughout the town mortal evil and things far worse And when the sun sets that evil takes root and spreads like wildfire Writ in Blood James A. Moore, 2025-01-23 Featuring a new foreword by Bram Stoker award

nominated author Tony Tremblay and cover art by Dan Brereton Three hundred years ago she fell victim to the fear and

wrath of those who dwelled in Serenity Falls Her body was devoured in flames But her curse upon the town lived on The hamlet of Serenity Falls is dying Businesses have evacuated Tourism has vanished And good will among neighbors is long gone Historian Simon MacGruder has taken it upon himself to record a formal narration of the town s past before it fades into oblivion What he uncovers is a history of the unspeakable lynchings mass murders sexual depravity and rumors of the birth of the anti Christ But the darkest secret is yet to be revealed by a stranger who has arrived at MacGruder s door on a mission of his own

**Where the Sun Goes to Die** James A. Moore,2025-06-10 They survived the nightmare at Carson s Point but Jonathan Crowley the Hunter and his new associate Lucas Slate have only just begun their trek through the weird wild west All Crowley wants is to retire and catalog the creatures he s never before encountered in the Americas All Lucas Slate wants is to understand what is happening to his body and mind and why there is an endlessly changing song echoing through his head that will not leave him in peace Dark Gods Ghosts Werewolves and Spectral Trains are a few of the obstacles between what they want and what they get Collected for the first time the stories Black Train Blues The Devoted Blank White Page Songs in the Key of White and What Rough Beast co authored by Charles R Rutledge continue the story started in BOOMTOWN An additional never before published short story Where Did We Go Wrong finishes this collection of tales Jonathan Crowley is new to the Americas and heading Where the Sun Goes To Die while he examines a land full of mysteries and nightmares Won t you join him

Cherry Hill James A. Moore,2025-05-14 Welcome to Cherry Hill Attendance is mandatory The Cherry Hill Sanitarium isn t a friendly place The inmates are among the most mentally deranged and dangerous minds known to the world It s the sort of place that sane people would do well to avoid if they value their lives John Doe is not a normal man He can t remember his name nor much of his past He s almost certain he s been dead for a while and that the asylum that has become his residence is haunted by more than broken minds and twisted memories John isn t wrong Something dark is growing inside the walls of the asylum something that festers and hungers to be free of its prison That something has never lived before but it wants to live now even if it has to destroy everything it encounters to get its way John Doe might just be the only person in the world who can stop the madness that is trying to be born into the walls of Cherry Hill He might be the only chance for the staff and the patients alike The problem isn t simply that he can t remember how to help them It s worse than that John Doe is almost certain that if he does remember his past the knowledge could very well drive him mad

Korrigan Grimm James A. Moore,2026-04-28 Korrigan Grimm is nothing more than a pawn caught between his father and their sworn enemy in a war without end He has spent most of his life as the prisoner of the Sharhadua as have his siblings Although he is treated well his life is not his own And yet Korrigan Grimm has a destiny As battles are lost and powers shift his siblings are put to death one by one as is the tradition His time is running out and if he is to claim his power he must act swiftly With the help of his only true friend Whisper he escapes his bondage and flees toward a father who is a stranger to him But this is a brutal world ruled by war and governed by battles both won and lost Even a

stolen dragon s pearl won t be enough to save him He must reclaim his soul binding artifacts and thus his power Hunted by both sides and feared on the battlefield Korrigan Grimm fights to reclaim his artifacts and his power But will his power be enough Can he somehow seize his father s power and end the war all while keeping his friends safe And what is the price of living forever in a world that never stops trying to kill you     *The Pack* James A Moore,2025-02-27 The town of Serenity Falls has a history of the unspeakable One man unearthed it He paid the price So will all who fail to heed the warning Something is coming to Serenity Falls something that has already touched the town with its demonic power A young girl is horribly tortured a boy becomes a conduit to hell the dogs of the town turn feral One man a stranger to the town but not to the powers of darkness has been enlisted to stop the encroaching evil And soon he will discover that the true horror lies not with those who walk the earth but with those who lie beneath it in the damp dark graves of the restless dead     The Writers Directory ,2013     Lovers and Other Strangers Dallas Schulze,2003 This edition published by arrangement with Harlequin Books S A T p verso     *Barrel and Box and Packages* ,1908     *2005 National Five-digit ZIP Code & Post Office Directory* Claitor's Publishing Division,2005     **The Packages** ,1906     Tour Book American Automobile Association,2006
