Learning to let go of certain feeling and situations is difficult but it makes each day more peaceful and comfortable Everything happens for a reason and it is up to us to learn from the lessons which are presented to us You can be a survivor when you accept that being a survivor is a state of mind which is dictated by you and not others I realized that guilt and shame are wasted energy and I was loved and can love others Everyone s path in recovery and rediscovery will be different We cannot compare ourselves to others We are individuals with different childhood experiences different backgrounds personalities and with different support systems I hope that Journey to New Beginnings gives you a sense of comfort and hope Each year will be another path of learning experiencing the joys of living and life enjoying the extraordinary in the ordinary
