One with the One Emily Jean Entwistle,2021-03-21 Emily Jean Entwistle a former executive and material girl with a mystical bent was badly damaged by a childhood rife with sexual and psychological abuse In one with the One she shares a story of transformation because of a soul level agreement to evolve through suffering into wholeness and joy Entwistle chronicles her path to wholeness offering details of her life She was adopted into a frightening home and was a virtual prisoner until age eighteen She was to die and go to heaven just when she reached tenuous stability as an adult She returned from heaven back to her broken body for the sake of another and was taught through service that the greatest law of life is love In this memoir she tells how conscious communion with God can be experienced by anyone While her story illustrates how this happened to her it offers guidance on how others can experience this too Through her trials and triumphs Entwistle has learned that we are eternal beings floating in a sea of love Her journey from darkness to light teaches the truth that we are co creators being led back with the greatest love of all to conscious communion with God **At One with the Invisible**
