Painted Moon Karin Kallmaker, 1994 Jackie Frakes is a talented architectural intern whose life has fallen into unsatisfying patterns both personally and professionally Renowned artist Leah Beck is exhibited in galleries nationwide But her life has darkened with the death of her lover Sharla Trapped by a mountain snow storm over Thanksgiving weekend Jackie is rescued by Leah The snowbound weekend in Leah s cabin shakes the very foundations of Jackie s life As for Leah Jackie provides renewal and inspiration for her work And the exhibition of PAINTED MOON her new series will reveal Leah as never before as a lesbian artist With their relationship increasingly torn by conflict and misunderstanding the winter weekend together will surely be their last Then intervention comes from a most unlikely source Publisher s description Polychrome Sculpture Johannes Taubert, 2016-02-15 In the decades since its initial publication in German in 1978 Polychrome Sculpture has come to be widely regarded as a watershed text on the making and meaning of European medieval and Baroque painted wood sculpture An early proponent of interdisciplinary research Johannes Taubert played a pioneering role in combining the rigorous scientific analysis of materials with a fuller understanding of form and function an approach that has led to the development of technical art history as practiced today Many of the essays in this volume apply such scientific techniques as microscopic analysis to an art historical understanding of Romanesque and late Gothic wood sculpture revealing that far from serving a merely decorative function the painted surface of these works was intricately connected to their meaning The paint layers on the sculptures for example which the author spent years documenting through close examination and analysis were intended to impart a heightened sense of reality to the life sized sculptures thereby enhancing the viewer s experience of worship Taubert believed it was crucial for conservators to understand this context before undertaking any treatments No other book offers such a focused subtle and interdisciplinary examination of the subject as Polychrome Sculpture This influential work is now available in English for the first time in a meticulous translation enhanced and updated by new color illustrations annotations to the original text and a new introduction Frosting on the Cake 3 Karin Kallmaker, 2025-06-01 From the cold winter dark of Alaska to the warm summer breezes of Hawaii take a calendar year s journey through the lives of women you already love Love finds its full bloom during a Simply the Best May The glamour of Hollywood combines with a Because I Said So Halloween Making Up for Lost Time serves up delicious cookies and lots of kisses All kinds of family are welcome at the Car Pool Thanksgiving table Inspired by classics like Wild Things and Painted Moon as well as bestsellers and award winners like Captain of Industry and Above Temptation Karin s third volume of follow up stories shows the love tenderness and romance that stands the test of time Karin Kallmaker s delightful and moving short stories have won Lambda Literary and Golden Crown awards and are sure to have you falling in love with her characters all over again **Fantasy Baseball** Alan M.
