## **Painted Words:**

**Painted Words** Christopher Johnson,2023-11-08 Craved from our first breath until the last love s splendor guides us toward our salvation Challenging anyone who dares to take on the gauntlet called life From a womb s darkness to the light of day along the end of each we re rocked by love s lullabies beneath stars and dreams Why our circled beginnings starts out as the purest form of having nothing As our tiny hands holds small change growing in the wealth of each embrace Of being overwhelmed by love s warmth and stunned by its chills these seasons come and go From the lessons in how we learn to crawl before you can walk As each step taken allows everyone to find their balance our self worth For love is a priceless piece of art as its hues will take on different emotions We re drawn by each stroke throughout living Of our belief in God family friends goals loss success failure and truth these torches we pass down to our children So permit me this chance of being my model and I will paint you such stories of love Get comfortable in your favorite chair or just lie in your bed snuggled beneath the sheets I shall attempt to turn you up down and around throughout loves magical It s amazing without any strings attached And at its end you may think I was right there the whole time Painted Words Brenda Glover,1999 Collection by writers in the postgraduate course of Creative Writing at the University of Adelaide

Cousineau,2012-09-11 To untangle the knot of interlocking meanings of these painted words logophile and mythologist Phil Cousineau begins each fascinating word entry with his own brief definition He then fills it in with a tint of etymology and a smattering of quotes that show how the word is used ending with a list of companion words The words themselves range from commonplace like biscuit a twice baked cake for Roman soldiers to loanwords including chaparral from the Basque shepherds who came to the American West words from myths such as hector metamorphosis words like silly which evolved holy to goofy in a mere thousand years and words well worthy of revival such as carrytale a wandering storyteller Whether old fangled or brand new all the words included in The Painted Word possess an ineffable quality that makes them luminous
