## **Painted Kiss:**

The Painted Kiss Elizabeth Hickey, 2005 In the tradition of *The Girl with the Pearl Earring* and *The Girl in Hyacinth Blue* a beautiful atmospheric and sensual debut re imagines the tempestuous relationship between painter Gustav Klimt and Emilie Floege the youngest daughter of a bourgeois businessman

*Mediating Cultures* Alberto González, Tina M. Harris, 2013 This book explores the communication challenges faced by parents as they raise children who are bi cultural multi cultural or are adopted from a heritage other than the parents Each contributor views the family as a site of intercultural dialogue and mediation and uses compelling studies throughout to examine the parents who creatively balance cultural influences within their families Using television depictions of parents on *Modern Family* and *All American Muslim* to the everyday activities of mixed ethnicity and international families *Mediating Cultures* reports the communication strategies employed by the parents as they strive to create affirming relationships between children and their heritages This collection brings together two largely separate literatures of family communication and intercultural communication studies with accessible yet context driven studies to explain how families integrate multiple cultural heritages and perspectives

**The Semiotics of Love** Marcel Danesi, 2019-07-30 *The Semiotics of Love* brings together work on early symbolism literary practices and contemporary communication on the theme of romance and the idea of love to forge an understanding of the semiotic cultural side of romance Moving beyond psychological and neuroscientific scholarly analyses of love Marcel Danesi works to interrogate the cultural constructions of love across societies This book

analyzes romantic love from the general perspective of semiotics that is from its more generic interpretive angle rather than its more technical one The specific analytical lens used is based on the notion that we convert our feeling structures into sign structures words symbols and sign based constructions texts rituals etc which then allow us to reflect upon something cognitively rather than just experience it physically and emotionally      **War-time Prosecutions and Mob Violence** ,1919
