With her insistent pushing against the boundaries of our standard academic assumptions Mary Bittner Wiseman succeeds in interpreting Barthes's effort to join the traditional and the new. The premise of the present book is that George Eliot's oeuvre is a compact macrotext where themes motifs patterns and cultural and personal archetypes recur with variations and that *The Lifted Veil* functions as the linchpin of this oeuvre. A sequential approach to the story is authorized by the use of a mimetic enunciation that simulates a gradual definition of events places and characters as they have appeared to the narrating I in the course of time until the moment of the enunciation. Contextualizing *The Lifted Veil* means placing it within Eliot's oeuvre and against the background of Victorian mid century fiction in a further meaning seeing it as intersecting various contemporary genres and subgenres such as that of the European and American literature of the veil that of the archetypal icon of the femme fatale that of Wilkie Collins's dead secret novels. The most significant facet that critical literature on *The Lifted Veil* has tended to overlook is however the encrypting of the experience of a failed religious conversion and the foreshadowing of the search for a spiritual and racial identity of Daniel Deronda the hero of Eliot's final novel    The American Mercury Henry Louis Mencken,1924    *Book Auction Records* Frank Karslake,1930 A priced and annotated annual record of international book auctions    *The American Mercury* George Jean Nathan, Henry Louis Mencken,1924    The Publishers Weekly ,1929    **Book-prices Current** ,1930    Targ's American First Editions & Their Prices William Targ,1930    International Art Market ,1983    *American first editions; bibliographic check list of the works ...* Merle De Vore Johnson,1929    The Connoisseur ,1908    *Numismatic Circular List of Coins, Medals, War Medals, Books, Etc.*
