*Paintings, Drawings, Sculpture*

Julien Binford, 1971 **Myth and the Creative Process** Jacob E. Nyenhuis, 2003 In a century that was dominated by science and technology the wide ranging artwork of Michael Ayrton 1921-75 is truly a tribute to the enduring power of Greek myth. Theorists often discuss the link between myth and creativity but rarely does one see this connection manifested so provocatively over the course of an artist's career. Fittingly this British sculptor, painter, author, filmmaker and maze designer was inspired by the story of the archetypal craftsman Daedalus, father of Icarus and maker of the labyrinth that imprisoned the Minotaur and produced over 800 works that in turn enhance the myth's significance. Highlighting the interaction between myth and artist word and image, Jacob Nyenhuis here presents a catalogue of these works one that will enlighten Ayrton's British following while introducing him to an American audience. A nonconformist who challenged Picasso's reign over the art world, Ayrton found in Daedalus a richly complex story of captivity and escape, ingenuity and creativity, flight and fall, success and failure. Ayrton's own journey into the labyrinth set him on a torturous path through life and into the psyche he came to identify himself not only with the craftsman but also with the Minotaur, representative of the bestial nature hidden within all of us. He ultimately created a new visual syntax that expanded the meaning of the labyrinth in disturbing ways for the twentieth century. The intensity of Ayrton's journey is conveyed in this beautifully produced volume comprising biography, critical analysis, historical context and an annotated catalogue of the works, many appearing in color.

*A List of the Paintings, Sculptures, Miniatures, &c* National Portrait Gallery (Great Britain), 1921 **Unearthed** Stephen

Talasnik, 2018-12-18 Stephen Talasnik's intricate and mesmerizing work bridges the disciplines of art and architecture in this debut monograph. A polymath whose work encompasses sculpture, drawing and architectural land art, Stephen Talasnik manifests an elaborate and evocative aesthetic vision. Inspired by visionary artists and architects such as Leonardo da Vinci, Giovanni Piranesi, Gustav Eiffel, Antoni Gaudí and Buckminster Fuller, Talasnik presents a fantastical world that looks as archaeological as it does futuristic. *Unearthed* presents a broad spectrum of Talasnik's work spanning the last decade, starting with floating sculptures commissioned by the Denver Botanic Garden, continuing on through projects at Storm King Art Center and Russel Wright Design Center, and culminating with a 30 foot high timber sculpture at the new, highly lauded Tippet Rise Art Center in Montana. The publication of *Unearthed* coincides with the first exhibition at Tippet Rise devoted to a single artist. Numerous examples of Talasnik's drawings are also included, as well as smaller scale indoor and outdoor sculptures in diverse materials. Several key contributors help interpret diverse angles of Talasnik's practice, including

renowned art critic Phyllis Tuchman architect and critic Michael Sorkin theorist David Wittenberg and the late architect Lebbeus Woods a close friend to Talasnik Through these essays and hundreds of reproductions of Talasnik's spellbinding work Unearthed presents the extraordinary visions of an artist on the cusp of broad recognition [The Blind Spot](#)  
Jacqueline Lichtenstein, 2008 Beginning in the seventeenth century the greatest French writers and artists became embroiled in a debate that turned on the priority of painting or sculpture touch or sight color or design ancients or moderns Jacqueline Lichtenstein guides readers through these historic quarrels decoding the key terms of the heated discussions and revealing how the players were influenced by the concurrent explosion of scientific discoveries concerning the senses of sight and touch Drawing on the work of Rene Descartes Roger de Piles Denis Diderot Charles Baudelaire and Emile Zola among others The Blind Spot lets readers eavesdrop on an energetic and contentious conversation that preoccupied French intellectuals for three hundred years [Latin American Paintings, Drawings, Sculpture, Silver, Works of Art, Furniture and Prints](#), 1994
