Chopin, 2015-02-26 At night among the reeds on the bayou Chicot could still hear the woman's wail mingled now with the croaking of the frogs From one of the most daring writers of fin de siècle America five stories of awakening that range from Louisiana's plantations and poverty stricken bayous to its gilded cities Introducing Little Black Classics 80 books for Penguin's 80th birthday Little Black Classics celebrate the huge range and diversity of Penguin Classics with books from around the world and across many centuries They take us from a balloon ride over Victorian London to a garden of blossom in Japan from Tierra del Fuego to 16th century California and the Russian steppe Here are stories lyrical and savage poems epic and intimate essays satirical and inspirational and ideas that have shaped the lives of millions Kate Chopin 1850 1904 The Awakening and Selected Stories and At Fault are available in Penguin Classics **A Pair of Silk Stockings** Kate

Chopin, 2014-04 Little Mrs Sommers one day found herself the unexpected possessor of fifteen dollars It seemed to her a very large amount of money and the way in which it stuffed and bulged her worn old porte monnaie gave her a feeling of importance such as she had not enjoyed for years The question of investment was one that occupied her greatly For a day or two she walked about apparently in a dreamy state but really absorbed in speculation and calculation She did not wish to act hastily to do anything she might afterward regret But it was during the still hours of the night when she lay awake revolving plans in her mind that she seemed to see her way clearly toward a proper and judicious use of the money A dollar or two should be added to the price usually paid for Janie's shoes which would insure their lasting an appreciable time longer than they usually did She would buy so and so many yards of percale for new shirt waists for the boys and Janie and Mag She had intended to make the old ones do by skilful patching Mag should have another gown She had seen some beautiful patterns veritable bargains in the shop windows And still there would be left enough for new stockings two pairs apiece and what darning that would save for a while She would get caps for the boys and sailor hats for the girls The vision of her little brood looking fresh and dainty and new for once in their lives excited her and made her restless and wakeful with anticipation
