illustrated Enduring Truths examines the freed slave Sojourner Truth who achieved fame in the nineteenth century as an orator and abolitionist and who though illiterate earned a living on the anti slavery lecture circuit in part by selling cartes de visite of herself Cartes de visites similar in format to post cards offered a mode of mass communication back in the day Even then they were collectible novelties Virtually every celebrity used them to purvey their own countenance in order to become part of the popular imagination of a society Sojourner Truth aspired to nothing less These photographs of her are famous and they have been commented upon before but they have not received the kind of in depth nuanced cultural analysis offered in this book

The club is led by Henry Winter, a brilliant and charismatic young man. Henry is obsessed with Greek mythology and philosophy, and he quickly draws Richard into his world. The other members of the Classics Club are equally as fascinating. Bunny Corcoran is a wealthy and spoiled young man who is always looking for a good time. Charles Tavis is a quiet and reserved young man who is deeply in love with Henry. Camilla Macaulay is a beautiful and intelligent young woman who is drawn to the power and danger of the Classics Club. The students are all deeply in love with Morrow, and they are willing to do anything to please him. Morrow is a complex and mysterious figure, and he seems to be manipulating the students for his own purposes. As the students become more involved with Morrow, they begin to commit increasingly dangerous acts. The Secret History is a masterful and thrilling novel that will keep you guessing until the very end. The novel is a warning tale about the dangers of obsession and the power of evil.
