Mass Media, 1996. Modern Media Literacy: Generative AI, Social Media, and the News Hallaq, Tom, Groshek, Jacob, 2025-09-04 In an era defined by digital transformation, modern media literacy evolves to address generative AI, social media, and the news. As AI-driven tools shape the creation and dissemination of information, traditional boundaries blur, challenging individuals to critically assess sources, motives, and authenticity. Social media platforms increase these dynamics, accelerating the spread of both credible journalism and misleading content generated by algorithms. In this context, media literacy navigates a system where human and machine-produced content coexist. Understanding how generative AI influences media narratives may foster more informed, responsible, and resilient digital citizens. *Modern Media Literacy: Generative AI, Social Media, and the News* explores the evolving landscape of media consumption and critical analysis in the digital age. It examines how digital media literacy can be assessed in higher education, emphasizing the need for valid and reliable tools to measure the critical skills students need to navigate today's complex media environment. This book covers topics such as critical thinking, digital technology, and social media and is a useful resource for media and communications professionals, sociologists, computer engineers, educators, academicians, researchers, and scientists. Advances in Design and Digital Communication V Nuno Martins, Daniel Brandão, 2024-12-23 This book reports on research findings and practical lessons featuring advances in the areas of digital and interaction design, graphic design, and branding design, education, society, and communication in design practice and related ones. Gathering the proceedings of the 8th International Conference on Digital Design and Communication Digicom 2024 held on November 7-9, 2024, as a hybrid event in Barcelos, Portugal, this book continues the tradition of the previous ones, reporting on new design strategies to foster digital communication within and between the society, institutions, and brands. By highlighting innovative ideas and reporting on multidisciplinary projects, it offers a source of inspiration for designers of all kinds, including graphic and web designers, UI/UX and social media designers, and to researchers, advertisers, artists, and brand and corporate communication managers alike. Everyday Media Literacy Sue Ellen Christian, 2019-09-20 In this graphic guide to media literacy, award-winning educator Sue Ellen Christian offers students an accessible, informed, and lively look at how they can consume and create media intentionally and critically.
