Public Sector Reform B. Nolan,2001-04-10 In these times of dramatic social economic and political change governments around the world are questioning their roles and responsibilities in the public sector There is a trend away from traditional public sector model and that of market ideology but there does not yet exist a universally accepted alternative Brendan Nolan offers a comparative analysis of public administration in several OECD countries the UK USA Australia and Scandinavia and explores possible future directions **Latin American Literatures in Global Markets**

,2022-11-07 Market relations are changing not only the distribution and promotion of literary works but also their content their language and their social and political function This book penetrates the intricacies of literary production circulation and reception focusing on some of the most original and representative authors of today such as Roberto Bola o Gabriela Cabez n Camara Yuri Herrera and Irmgard Emmelhainz among others The book also illuminates on the materiality of literature and the strategies of literary marketing festivals book fairs digitalization and translation Globalization and regional particularisms meet then in the symbolic territories of the literary world and expose their dynamics and intrinsic negotiations

The Transatlantic Circulation of Novels Between Europe and Brazil, 1789-1914 Márcia Abreu,2017-03-28 This book brings a renewed critical focus to the history of novel writing publishing selling and reading expanding its viewing beyond national territories Relying on primary sources such as advertisements censorship reviews publisher and bookstore catalogues the book examines the paths taken by novels in their shifts between Europe and Brazil investigates the flow of translations in both directions pays attention to the successful novels of the time and analyses the critical response to fiction in both sides of the Atlantic It reveals that neither nineteenth century culture can be properly understood by focusing on a single territory nor literature can be fully perceived by looking only to the texts ignoring their material existence and their place in social and economical practices **Choice** ,2000 **Studies in the Romance Languages and Literatures** ,1969
